STEWART INFORMATION SERVICES CORPORATION

PROXY STATEMENT  
FOR ANNUAL MEETING OF STOCKHOLDERS  
TO BE HELD APRIL 30, 2004

This Proxy Statement is furnished to the stockholders of Stewart Information Services Corporation (the "Company"), 1980 Post Oak Boulevard, Suite 800, Houston, Texas 77056 (Tel. No. 713-625-8100), in connection with the solicitation by the Board of Directors of the Company of proxies to be used at the Annual Meeting of Stockholders to be held on Friday, April 30, 2004, at 8:30 A.M. in the First Floor Conference Room of Three Post Oak Central, 1990 Post Oak Boulevard, Houston, Texas, or any adjournment thereof.

Proxies in the form enclosed, properly executed by stockholders and received in time for the meeting, will be voted as specified therein. If a stockholder does not specify otherwise, the shares represented by his or her proxy will be voted for the nominees listed therein. The giving of a proxy does not preclude the right to vote in person should the person giving the proxy so desire, and the proxy may be revoked at any time before it is exercised by

## Edgar Filing: STEWART INFORMATION SERVICES CORP - Form DEF 14A

written notice delivered to the Company at or prior to the meeting. This Proxy Statement is being mailed on or about March 29, 2004 to stockholders of record at the close of business on March 2, 2004 (the "Record Date").

At the close of business on the Record Date, there were outstanding and entitled to vote 16,548,821 shares of Common Stock and 1,050,012 shares of Class B Common Stock, and only the holders of record on such date shall be entitled to vote at the meeting. As long as 600,000 or more shares of Class B Common Stock are issued and outstanding, at each election of directors the Common Stock and Class B Common Stock are voted as separate classes. Shares of the Company's Class B Common Stock are convertible on a one-for-one basis into shares of the Company's Common Stock.

The holders of Common Stock, voting as a class, are entitled to elect five of the nine directors of the Company. Each share of Common Stock is entitled, at the option of the person voting such share, either to cast one vote per share for each of the five directors to be elected by the holders of the Common Stock or to vote cumulatively by casting five votes per share, which may be distributed in any manner among any number of the nominees. The enclosed form of proxy provides a means for stockholders to vote for all of the nominees listed therein, to withhold authority to vote for one or more of such nominees or to withhold authority to vote for all of such nominees. If authority to vote for four or fewer of the nominees is withheld, and if there are nominees other than management nominees for the directorships to be filled by the holders of the Common Stock, then the persons named in the enclosed proxy may vote cumulatively by dividing the number of votes represented by the proxy equally among the nominees for which authority to vote is not withheld. If there are no nominees for the five positions to be elected by the holders of Common Stock other than the management nominees set forth herein, it is the intention of the persons named in the enclosed proxy to allocate the votes represented by the proxy evenly among the management nominees. If there should be any additional nominees for such positions, then the persons named in the enclosed proxy will vote cumulatively to elect as many as possible of the management nominees. If it is not possible to elect each of the five management nominees, then the persons named in the enclosed proxy will have discretion as to which of such nominees may be elected.

Unless a holder of Common Stock who withholds authority votes in person at the meeting or votes by means of another proxy, the withholding of authority will have no effect upon the election of those directors for whom authority to vote is withheld because the Company's By-Laws provide that directors are elected by a plurality of the votes cast. Under applicable Delaware law, a broker non-vote will have no effect on the outcome of the election of directors. The shares held by each stockholder who signs and returns the enclosed form of proxy will be counted for purposes of determining the presence of a quorum at the meeting.

The holders of Class B Common Stock, voting as a class, are entitled to elect the remaining four of the nine directors of the Company. Each holder of Class B Common Stock has the right to vote, in person or by proxy, the number of shares owned by him for the four directors to be elected by the holders of Class B Common Stock and for whose election he has a right to vote.

### CORPORATE GOVERNANCE

#### BOARD OF DIRECTORS

The Company is managed by a Board of Directors comprised of nine persons, five of whom are elected by the holders of the Company's Common Stock and four are elected by the holders of the Company's Class B Common Stock. A majority of the members of the Board of Directors are "independent" within the meaning of the listing standards of the New York Stock Exchange. Those directors are: Lloyd Bentsen, III, Paul W. Hobby, Dr. E. Douglas Hodo, Gov. John P. LaWare and Dr. W. Arthur Porter. The Board of Directors has determined that none of such directors have any material relationship with the Company or its management that would impair the independence of his judgment in carrying out his responsibilities to the Company. For this purpose, the Board of Directors considers any transaction, or series of similar transactions, or any currently proposed transaction, or series of similar transactions, between the Company or any of its subsidiaries and a director to be material if the amount involved exceeds \$60,000 in any of the Company's last three fiscal years.

All directors of the Company hold office until the next annual meeting of stockholders or until their respective successors are elected and qualified. All officers of the Company hold office until the regular meeting of directors following the annual meeting of stockholders or until their respective successors are duly elected and qualified. Action by the Board of Directors requires the affirmative vote of at least six members.

During 2003, the Board of Directors held six meetings and executed one consent in lieu of a meeting. Each director attended each of such meetings, except that one director did not attend one meeting. The Board of Directors has an Executive Committee, an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. See "-- Committees of the Board of Directors" at page 6.

The Board of Directors has adopted the Stewart Code of Business Conduct and Ethics and Guidelines on Corporate Governance and a Code of Ethics for Chief Executive Officers, Principal Financial Officer and Principal Accounting Officer, each of which is available on the Company's website at [www.stewart.com](http://www.stewart.com). The Company's Guidelines on Corporate Governance and the charters of the Audit Committee, Nominating and

Corporate Governance Committee and Compensation Committee require an annual self-evaluation of the performance of the Board of Directors and of such committees, including the adequacy of such Guidelines and charters.

The Company's Guidelines on Corporate Governance strongly encourage attendance in person by directors at the Company's annual meetings of stockholders. All of the Company's incumbent directors attended the Company's annual meeting of stockholders held in 2003.

## Edgar Filing: STEWART INFORMATION SERVICES CORP - Form DEF 14A

### ADVISORY DIRECTORS

In addition to the directors elected by the holders of the Company's Common Stock and Class B Common Stock, the Company has four advisory directors who are appointed by the Company's Board of Directors. The Company's advisory directors receive notice of and regularly attend meetings of the Company's Board of Directors and committees on which they serve as non-voting members. They provide valuable insights and advice to the Company and participate fully in all deliberations of the Company's Board of Directors but are not included in quorum and voting determinations. Advisory directors receive the same compensation for their services as do the members of the Company's Board of Directors elected by the stockholders of the Company.

### COMMITTEES OF THE BOARD OF DIRECTORS

**Executive Committee.** The Executive Committee may exercise all of the powers of the directors, except those specifically reserved to the Board of Directors by law. Malcolm S. Morris, Stewart Morris, Jr. and Max Crisp serve as the members of the Executive Committee. During 2003, the Executive Committee held six meetings at which all members were present and executed 29 consents in lieu of meetings.

**Audit Committee.** It is the duty of the Audit Committee to (i) review, with the Company's independent auditors, the scope of the annual audit, (ii) review the independent auditors' management letter and (iii) meet with the Company's internal auditors. The Audit Committee operates under a written charter adopted by the Board of Directors of the Company, a copy of which is attached as Annex A and is also available on the Company's website. The Audit Committee is comprised of Dr. E. Douglas Hodo (Chair), Lloyd Bentsen, III, and Paul W. Hobby. During 2003, the Audit Committee held five meetings, at which all members were present except that one director did not attend one meeting. Each of the members of the Audit Committee is independent as defined under the listing standards of the New York Stock Exchange and the Securities Exchange Act of 1934, and the Board of Directors has determined that Dr. Hodo is an "audit committee financial expert" as defined in the rules of the Securities and Exchange Commission. No member of the Company's Audit Committee serves on the audit committees of more than three public companies. The Audit Committee has the authority to engage independent counsel and other advisers, as it determines necessary to carry out its duties.

The Audit Committee has established procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or auditing matters and the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters. Persons wishing to communicate with the Company's Audit Committee may do so by writing in care of Chairman, Audit Committee, Stewart Information Services Corporation, 1980 Post Oak Boulevard, Suite 800, Houston, Texas 77056.

**Nominating and Corporate Governance Committee.** The Nominating and Corporate Governance Committee is comprised of Lloyd Bentsen III (Chair), Gov. John P. LaWare and Dr. W. Arthur Porter, each of whom is "independent" as defined in the listing standards of the New York Stock Exchange. It is the duty of the Nominating and Corporate Governance Committee to (i) recommend to the Board of Directors of the Company nominations of persons for election to the Board of Directors of the Company by the holders of Common Stock, (ii) create procedures for identification of nominees, (iii) consider and recommend to the Board of Directors criteria for membership and (iv) receive and consider nominations submitted by stockholders of the Company.

## Edgar Filing: STEWART INFORMATION SERVICES CORP - Form DEF 14A

The Company's Guidelines on Corporate Governance require that a majority of the nine members of the Company's Board of Directors be "independent" as defined from time to time in the rules of the New York Stock Exchange. Those Guidelines also provide that the Nominating and Corporate Governance Committee shall be guided by the following principles:

- Each Director should be an individual of the highest character and integrity and have an inquiring mind, experience at a strategy or policy-setting level, or otherwise possess a high level of specialized expertise, and the ability to work well with others. Special expertise or experience that will augment the Board's expertise is particularly desirable.
- Each Director should have sufficient time available to devote to the affairs of the Company in order to carry out the responsibilities of a Director and, absent special circumstances, no Director should be simultaneously serving on the boards of directors of more than three other entities, excluding non-public companies such as those related to personal or family business and charitable, educational or other non-profit entities. Directors are not qualified for service on the Board unless they are able to make a commitment to prepare for, and attend, meetings of the Board and its committees on a regular basis.
- Each independent Director should be free of any significant conflict of interest that would interfere with the independence and proper performance of the responsibilities of a Director.
- Directors to be nominated for election by the holders of the Company's Common Stock should not be chosen as representatives of a constituent group or organization; each should utilize his or her unique experience and background to represent and act in the best interests of all stockholders as a group.

Directors should have an equity ownership in Stewart Information Services Corporation. Toward that end, each non-employee Director shall be paid a portion of his or her Director's fees in Stewart Information Services Corporation Common Stock pursuant to the Company's 1996 Directors' Stock Plan, or any successor plan, but only to the extent permitted by law and stock exchange rules.

The Nominating and Corporate Governance Committee, pursuant to the Company's By-Laws, will accept and consider nominations by stockholders of persons for election by the holders of Common Stock to the Board of Directors of the Company. To be considered for nomination at the Annual Meeting of Stockholders of the Company to be held in 2005, stockholder nominations must be received by the Company no later than February 15, 2005. Persons wishing to submit the names of candidates for consideration by the Nominating and Corporate Governance Committee may write to the Nominating and Corporate Governance Committee in care of Corporate Secretary, Stewart Information Services Corporation, 1980 Post Oak Boulevard, Suite 800, Houston, Texas 77056, providing the candidate's name, credentials, contact information and consent to be considered as a candidate. The person proposing the candidate should include his or her contact information and a statement of his or her share ownership, including the number of shares and the period of time the shares have been held.

The Nominating and Corporate Governance Committee (including its predecessor Nominating Committee) held three meetings during 2003, at which all members were present. The charter of the Company's Nominating and Corporate Governance Committee is available on the Company's website at [www.stewart.com](http://www.stewart.com).

Compensation Committee. It is the duty of the Compensation Committee to approve the compensation of the executive officers. The Compensation Committee

## Edgar Filing: STEWART INFORMATION SERVICES CORP - Form DEF 14A

is comprised of Paul W. Hobby (Chair), Gov. John P. LaWare and Dr. W. Arthur Porter. During 2003, the Compensation Committee held two meetings at which both members then serving were present.

Each member of the Company's Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee has been determined by the Board of Directors to be "independent" as that term is defined in the rules of the New York Stock Exchange.

### OPTION GRANTS AND EXERCISES

The following table sets forth information concerning individual grants of stock options made during the year ended December 31, 2003 to each of the Company's executive officers. All such grants were made on January 23, 2003, under the terms of the Company's 1999 Executive Stock Option Plan. The hypothetical values on the date of grant of stock options granted in 2003 shown below are presented pursuant to the rules of the Securities and Exchange Commission and are calculated under the modified Black-Scholes model (the "Model") for pricing options. This hypothetical value of options trading on the stock markets bears little relationship to the compensation cost to the Company or potential gain realized by an optionee. The actual amount, if any, realized upon the exercise of stock options will depend upon the market price of the Company's Common Stock relative to the exercise price per share of Common Stock issuable under the stock option at the time the stock options are exercised. There is no assurance that the hypothetical present values of stock options reflected in this table actually will be realized.

### COMPENSATION COMMITTEE REPORT

To the Board of Directors of  
Stewart Information Services Corporation:

Compensation Policy. The Compensation Committee of the Board of Directors (the "Committee") is responsible for the oversight and administration of the Company's executive compensation program. The Committee reviews the compensation program of the Company's operating subsidiaries during each year as it deems necessary. The objective of the Company is to provide executive officers of the Company, who are Malcolm S. Morris, Stewart Morris, Jr. and Max Crisp, with a compensation package that is fair and reasonable based on their individual levels of responsibility and performance in relation to the compensation of executive officers of other publicly held companies in the title insurance and comparable industries. In making its determinations as to the reasonableness of the Company's executive compensation, the Committee relies in part on the advice of a nationally recognized, independent compensation consulting firm. The principal elements of the Company's executive compensation program are an annual salary, an annual cash bonus and stock option grants. As a holding company, the Company has no payroll, and the annual salaries and cash bonuses of its executive officers are paid by a subsidiary of the Company.

Base Salary. For 2003, the base salary level, not including the minimum bonuses described below, for each of the Co-Chief Executive Officers of the Company increased to \$150,000 from \$135,000. For 2003, the base salary level of the Company's third executive officer, Mr. Crisp, increased to \$155,000 from

## Edgar Filing: STEWART INFORMATION SERVICES CORP - Form DEF 14A

\$150,000. Base salary amounts do not include the minimum bonuses described below. Historically, the base salaries of the Company's Co-Chief Executive Officers have remained relatively stable from year to year. Since the Company, as a holding company, has no direct payroll, the base salaries of the Company's executive officers are paid at the subsidiary level and are set at levels deemed reasonable by the Committee based upon its subjective evaluation of the executive officer's level of responsibility.

Annual Bonus. Each of the Co-Chief Executive Officers is eligible to receive an annual cash bonus based on the consolidated income before taxes of Guaranty, including a minimum bonus of \$250,000. The Committee believes that the consolidated income before taxes of Guaranty, and the effect thereof on the Company's book value per share, are important determinants over time of the value of the Company's Common Stock. For 2003, the Committee recommended and the Company adopted the following bonus formula for each of the Co-Chief Executive Officers:

GUARANTY CONSOLIDATED INCOME BEFORE TAXES	INCREMENTAL PERCENT PAYABLE AS BONUS
Up to \$20 million.....	1.00%
\$20 million to \$40 million.....	0.75%
\$40 million to \$60 million.....	0.50%
Over \$60 million.....	0.25%

For 2003, the Committee recommended and the Company adopted the following bonus formula for Mr. Crisp:

GUARANTY CONSOLIDATED INCOME BEFORE TAXES	INCREMENTAL PERCENT PAYABLE AS BONUS
Up to \$50 million.....	0.50%
\$50 million to \$75 million.....	0.40%
\$75 million to \$100 million.....	0.30%
Over \$100 million.....	0.20%

Mr. Crisp's minimum bonus is \$135,000 and his bonus may not exceed 75% of the aggregate base salary and bonus earned by a Chief Executive Officer.

The consolidated income before taxes of Guaranty in 2003 was \$203.8 million. Accordingly, each of the Co-Chief Executive Officers received a bonus of \$809,450 for 2003, and Mr. Crisp received a bonus of \$563,588 for 2003.

13

Stock Options. Pursuant to the Company's 1999 Stock Option Plan (the "1999 Plan"), in 2003 the Committee granted options to Malcolm S. Morris, Stewart Morris, Jr. and Max Crisp for 25,000, 25,000 and 16,500 shares, respectively. See "-- Option Grants and Exercises" elsewhere in the Proxy Statement in which this report is included. Such options were taken into account by the Committee in determining the reasonableness of the recipient officer's annual compensation package. The purpose of the 1999 Plan is to make available to the Committee an additional form of compensation that will align the interests of executive officers with those of the stockholders over a multi-year term. Each of the

## Edgar Filing: STEWART INFORMATION SERVICES CORP - Form DEF 14A

executive officers is eligible for grants of options at a purchase price not less than the fair market value of the shares on the date of grant.

The Company's net earnings increased from \$5.30 per diluted share in 2002 to \$6.88 per diluted share in 2003. The Committee recognizes that the title insurance industry is strongly affected by nationally prevailing interest rates, and the Company's financial results from year to year will depend largely on the level of real estate activity in its primary markets. The Committee, as well as the other independent members of the Company's Board of Directors, subjectively evaluates the performance of the Company's executive officers, including the Co-Chief Executive Officers, with respect to their efforts to provide for the long-term financial well-being of the Company and to respond to continuing changes in the industry environment. In 2003, the Committee gave particular consideration to the efforts of the Co-Chief Executive Officers in further developing the Company's automation programs, entering new markets through acquisitions, increasing book value per share and pursuing opportunities in international markets.
