ITEM 8.01. OTHER EVENTS

In a press release dated April 19, 2005, OMNI Energy Services Corp. (the "Company") announced that it received commitments for a \$50 million senior credit term loan from an institutional investor. The loan is expected to close during the second quarter of 2005 and is subject to the negotiation, execution and delivery of loan and contractual documentation reasonably satisfactory to the lender, as well as approval from the Company's Board of Directors. Additionally, the Company announced that concurrent with the closing of the new senior secured credit facility, it will increase its existing working capital revolver to \$15 million. The proceeds from the senior credit term loan and the increased availability under the revolver will be used to re-finance certain long-term debt, provide working capital and establish funding necessary to complete strategic transactions.
