AND
TRUMP HOTELS & CASINO RESORTS FUNDING, INC.
NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(unaudited)

(1) Organization and Operations

The accompanying condensed consolidated financial statements include those of Trump Hotels & Casino Resorts, Inc., a Delaware corporation ("THCR"), Trump Hotels & Casino Resorts Holdings, L.P., a Delaware limited partnership ("THCR Holdings"), and Subsidiaries (as defined). THCR Holdings is currently owned approximately 63.4% by THCR, as both a general and limited partner, and approximately 36.6% by Donald J. Trump ("Trump"), as a limited partner. Trump's limited partnership interest in THCR Holdings represents his economic interests in the assets and operations of THCR Holdings. Such limited partnership interest is convertible at Trump's option into 13,918,723 shares of THCR's common stock, par value \$.01 per share (the "THCR Common Stock") (subject to certain adjustments), and if converted, would give Trump ownership of 41.0% of the THCR Common Stock (including his current share ownership) or 42.1% (assuming currently exercisable options held by Trump were exercised). Accordingly, the accompanying condensed consolidated financial statements include those of (i) THCR and its 63.4% owned subsidiary, THCR Holdings, and (ii) THCR Holdings and its wholly owned subsidiaries.

All significant intercompany balances and transactions have been eliminated in the accompanying condensed consolidated financial statements.

The accompanying condensed consolidated financial statements have been prepared without audit. In the opinion of management, all adjustments, consisting of only normal recurring adjustments necessary to present fairly the financial position, the results of operations and cash flows for the periods presented, have been made.

The accompanying condensed consolidated financial statements have been prepared pursuant to the rules and regulations of the Securities and Exchange Commission ("SEC"). Accordingly, certain information and note disclosures normally included in financial statements prepared in conformity with generally accepted accounting principles have been condensed or omitted.

These condensed consolidated financial statements should be read in conjunction with the consolidated financial statements and notes thereto included in the annual report on Form 10-K for the year ended December 31, 2000 filed with the SEC.

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 10-Q

The casino industry in Atlantic City and Indiana is seasonal in nature. Accordingly, results of operations for the period ended March 31, 2001 are not necessarily indicative of the operating results for a full year.

THCR, THCR Holdings and Trump Hotels & Casino Resorts Funding, Inc., a Delaware corporation ("THCR Funding"), have no operations and their ability to service their debt is dependent on the successful operations of the following subsidiaries of THCR Holdings (the "Subsidiaries"): (i) Trump Atlantic City Associates, a New Jersey general partnership ("Trump AC"), which is comprised of Trump Taj Mahal Associates ("Taj Associates") and Trump Plaza Associates ("Plaza Associates"); (ii) Trump Indiana, Inc., a Delaware corporation ("Trump Indiana"); and (iii) Trump's Castle Associates, L.P. , a New Jersey limited partnership ("Castle Associates") d/b/a Trump Marina Hotel Casino ("Trump Marina"). THCR, through THCR Holdings and its subsidiaries, is the exclusive vehicle through which Trump engages in new gaming activities in emerging and established gaming jurisdictions.

Basic and Diluted Loss Per Share

Basic loss per share is based on the weighted average number of shares of THCR Common Stock outstanding. Diluted earnings per share are the same as basic earnings per share as common stock equivalents have not been included as they would be anti-dilutive. The shares of THCR's Class B common stock, par value \$.01 per share (the "THCR Class B Common Stock"), owned by Trump have no economic interest and therefore are not considered in the calculation of weighted average shares outstanding.

Reclassifications

Certain reclassifications have been made to prior year financial statements to conform to the current year presentation.

Interest Expense	\$ 5,619,000 -----
Net Income	\$ - =====

(a) THCR Enterprises, L.L.C., a New Jersey limited liability company ("THCR Enterprises") and wholly-owned subsidiary of THCR Holdings, purchased \$35,500,000 of these Senior Notes.

(3) Other Assets

Plaza Associates is appealing a real estate tax assessment by the City of Atlantic City. At December 31, 2000 and March 31, 2001, other assets includes \$8,014,000, which Plaza Associates estimates will be recoverable on the settlement of the appeal.

(4) Trump World's Fair Closing

On October 4, 1999, THCR closed Trump World's Fair. In addition to closing costs recorded at December 31, 1999, costs of \$482,000 were recorded during the three months ended March 31, 2000.

(5) Recent Accounting Pronouncement

In January 2001, the Emerging Issues Task Force (EITF) reached a consensus on certain issues within Issue No. 00-22, "Accounting for 'Points' and Certain Other Time-Based or Volume-Based Sales Incentive Offers, and Offers for Free Products or Services to Be Delivered in the Future," (EITF 00-22). Application of EITF 00-22 is required for interim and annual periods ending after February 15, 2001. EITF 00-22 requires volume-based cash rebates to be classified as a reduction of revenue. Accordingly, such rebates have been classified as promotional allowances. THCR previously classified these expenditures as a gaming expense. Prior period amounts have been reclassified to conform with the current presentation.

(6) Subsequent Event

On April 27, 2001, Trump Indiana entered into a loan agreement with a bank group for \$27,500,000. Proceeds from the loan were used to pay off maturing debt for the vessel, the hotel, the \$5,000,000 bridge loan and provide working capital. The new debt will bear a fixed rate of interest of 8.85% for the first \$10,000,000 of the loan, and a floating rate will apply to the balance of the loan. The initial rate on the floating portion will be a blended 7.86%. The loan will amortize over 84 months at a fixed amount per month and will mature with a balloon payment payable at the end of 60 months.

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 10-Q

RESULTS OF OPERATIONS

Capital Resources and Liquidity

Cash flows from operating activities are THCR's principal source of liquidity. THCR and its subsidiaries anticipate having sufficient liquidity to meet their obligations during 2001. Cash flow is managed based upon the seasonality of the operations. Any excess cash flow achieved from operations during peak periods is utilized to subsidize non-peak periods when necessary.

Capital expenditures for THCR were \$5,604,000 and \$4,265,000 for the three months ended March 31, 2000 and 2001, respectively.

On April 27, 2001, Trump Indiana entered into a loan agreement with a bank group for \$27.5 million. Proceeds from the loan were used to pay off maturing debt for the vessel, the hotel, the \$5 million bridge loan and provide working capital. The new debt will bear a fixed rate of interest of 8.85% for the first \$10 million of the loan, and a floating rate will apply to the balance of the loan. The initial rate on the floating portion will be a blended 7.86%. The loan will amortize over 84 months at a fixed amount per month and will mature at the end of 60 months.

The indenture governing the Senior Notes (the "Senior Note Indenture") restricts the ability of THCR Holdings and its subsidiaries to make distributions to partners or pay dividends, as the case may be, unless certain financial ratios are achieved. Further, given the rapidly changing competitive environment, THCR's future operating results are conditional and could fluctuate significantly.

The indentures of Trump AC and Castle Associates restrict their ability to make distributions to THCR Holdings. Therefore, the ability of THCR Holdings to service its debt is dependent on the successful operations of Trump Indiana, other future operations and the permitted distributions from Trump AC and Castle Associates.

The ability of THCR to repay its long-term debt when due will depend on the ability of Plaza Associates, Taj Associates, Castle Associates and Trump Indiana to generate cash from operations sufficient for such purposes or on the ability of THCR to refinance such indebtedness. Cash flow from operations may not be sufficient to repay a substantial portion of the principal amount of the indebtedness upon maturity. The future operating performance and the ability to refinance such indebtedness will be subject to the then prevailing economic conditions, industry conditions and numerous other financial, business and other factors, many of which are unforeseeable and/or beyond the control of THCR. There can be no assurance that the future operating performance of Plaza Associates, Taj Associates, Castle Associates or Trump Indiana will be sufficient to meet these repayment obligations or that the general state of the economy, the status of the capital markets generally, or the receptiveness of the capital markets to the gaming industry will be conducive to refinancing or other attempts to raise capital on favorable terms, or at all.

In addition, the ability of (i) Plaza Associates and Taj Associates (through Trump AC) and (ii) Castle Associates to make payments of dividends or distributions to THCR Holdings may be restricted by the rules and regulations promulgated by the New Jersey Casino Control Commission. Similarly, the ability of Trump Indiana to make payments of dividends or distributions to THCR Holdings may be restricted by the rules and regulations promulgated by the Indiana Gaming Commission.

Gaming revenues are the primary source of THCR's revenues. Table games revenues represent the amount retained by THCR from amounts wagered at table games (table game drop). The table win percentage tends to be fairly constant over the long term, but may vary significantly in the short term, due to large wagers by "high rollers". The Atlantic City industry table win percentages were 15.4% and 15.2% for the quarters ended March 31, 2000 and March 31, 2001, respectively.

Table games revenue decreased \$3.8 million or 4.4% to \$82.6 million from the comparable period in 2000. A \$7.3 million decrease in table games revenue at the Trump Taj Mahal Casino Resort (the "Taj Mahal"), primarily due to a lower table win percentage (14.5% in 2001 compared to 16.7% in 2000), was primarily offset by a \$2.9 million increase at Trump Plaza Hotel and Casino ("Trump Plaza"), as a result of a 3.3% increase to 18.6% in table win percentage in 2001, and a \$1.4 million increase at Trump Marina due to a higher table drop and table win percentage. Trump Indiana's table game revenues decreased \$0.9 million due to a lower table drop and table win percentage.

Slot revenues increased \$2.5 million at the three Atlantic City casinos, primarily due to increased slot handles which were offset with a slight decrease in slot win percentage. This increase was partially offset by Trump Indiana's slot revenue decrease of \$1.0 million or 4.1% from the comparable period in 2000 due to a lower slot handle, partially offset by a 0.6% increase in slot win.

Gaming costs and expenses decreased \$0.2 million to \$181.6 million for the quarter ended March 31, 2001. The Taj Mahal's gaming costs decreased \$0.9

Edgar Filing: TRUMP HOTELS & CASINO RESORTS INC - Form 10-Q

million while Trump Plaza's gaming costs increased \$1.8 million from the comparable period in 2000, due to changes in marketing and promotional expenses proportionate to their respective changes in gaming revenues. Trump Marina's gaming costs increased \$3.0 million as a result of increased spending in promotional and complimentary marketing programs, which were incurred to stimulate gaming revenues. Trump Indiana's gaming costs decreased \$4.1 million or 18.3% primarily due to decreased coin promotional expenses.

General and Administrative expenses were \$65.8 million for the quarter ended March 31, 2001, a decrease of \$1.7 million or 2.5% from \$67.5 million for the comparable period in 2000. This decrease is primarily due to the reduction in corporate general and administrative expenses as a result of downsizing the New York corporate office and an aircraft lease termination in 2000, as well as decreased legal and lobbying costs in 2001.

During 2000, THCR Enterprises purchased an aggregate principal amount of \$35.5 million of the Senior Notes, in consideration for an aggregate purchase price of \$19.0 million, plus accrued and unpaid interest. The decrease in interest expense is primarily due to the elimination of interest expense associated with these notes.

Seasonality

The casino industry in Atlantic City and Indiana is seasonal in nature. Accordingly, the results of operations for the period ending March 31, 2001 are not necessarily indicative of the operating results for a full year.

PART II -- OTHER INFORMATION

ITEM 1 -- LEGAL PROCEEDINGS

General. THCR and certain of its employees have been involved in various legal proceedings. Such persons are vigorously defending the allegations against them and intend to contest vigorously any future proceedings. In general, THCR has agreed to indemnify such persons against any and all losses, claims, damages, expenses (including reasonable costs, disbursements and counsel fees) and liabilities (including amounts paid or incurred in satisfaction of settlements, judgments, fines and penalties) incurred by them in said legal proceedings.

Various other legal proceedings are now pending against THCR. Except as set forth herein and in THCR's Annual Report on Form 10-K for the year ended December 31, 2000, THCR considers all such proceedings to be ordinary litigation incident to the character of its business and not material to its business or financial condition. THCR believes that the resolution of these claims, to the extent not covered by insurance, will not, individually or in the aggregate, have a material adverse effect on its financial condition or results of operations of THCR.

From time to time, Plaza Associates, Taj Associates, Castle Associates and Trump Indiana may be involved in routine administrative proceedings involving alleged violations of certain provisions of the New Jersey Casino Control Act (the "Casino Control Act") and the Indiana Riverboat Gambling Act (the "Indiana Riverboat Act"), as the case may be. However, management believes that the final outcome of these proceedings will not, either individually or in the aggregate, have a material adverse effect on THCR or on the ability of Plaza Associates, Taj Associates, Castle Associates or Trump Indiana to otherwise retain or renew any casino or other licenses required under the Casino Control Act or the Indiana Riverboat Act, as the case may be, for the operation of Trump Plaza, the Taj Mahal, Trump Marina and the Trump Indiana Riverboat, respectively.
