INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Committee of the  
ACS Defense, Inc. Profit Sharing and 401(k) Plan

We have audited the accompanying statement of net assets available for benefits of ACS Defense, Inc. Profit Sharing and 401(k) Plan ("Plan") as of December 31, 2000 and 1999, and the related statement of changes in net assets available for benefits for the year ended December 31, 2000. These financial statements are

## Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form 11-K

the responsibility of the Plan's management. Our responsibility is to express an opinion on the financial statements based on our audit. The financial statements of the ACS Defense, Inc. Profit Sharing and 401(k) Plan as of December 31, 1999 were audited by other auditors whose report dated January 19, 2001, expressed a qualified opinion as permitted by section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Connecticut General Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2000 that the information provided to the plan administrator by the trustee is complete and accurate.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we performed procedures with respect to the information summarized in Note 6, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the plan as of December 31, 2000 and 1999 and the changes in net assets available for benefits for the year ended December 31, 2000 in conformity with generally accepted accounting principles.

7

ACS Defense, Inc. Profit Sharing and 401(k) Plan  
Page two

Our audit of the Plan's financial statements was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule on page 11 is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

The supplemental schedule has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, except for the effects on the Schedule of Assets Held For Investment Purposes of such adjustments, if any, as might have been determined to be necessary had we performed procedures with respect to the information summarized in Note 6 as described in the second preceding paragraph, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

## Edgar Filing: AFFILIATED COMPUTER SERVICES INC - Form 11-K

### TERMINATION

The Company's Board of Directors may terminate the Plan, at any time. Upon termination, the Board of Directors may elect to distribute to each participant, or his or her beneficiary, the proportionate share of the Plan's assets as determined by the individual account balances on the date of termination, or continue the existence of the trust for the purpose of paying benefits as they become due under the terms of the Plan. The accounting policies conform to generally accepted accounting principles and have been consistently applied in the preparation of the financial statements.

### ESTIMATES

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, such as fair value. Accordingly, actual results may differ from those estimates.
