REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Clear Channel Entertainment, Inc. 401(k) Savings Plan  
San Antonio, Texas

We have audited the financial statements of the Clear Channel Entertainment, Inc. 401(k) Savings Plan as of December 31, 2003 and 2002, and for the year ended December 31, 2003, as listed in the accompanying contents page. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form 11-K

overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Clear Channel Entertainment, Inc. 401(k) Savings Plan as of December 31, 2003 and 2002, and the changes in its net assets available for plan benefits for the year ended December 31, 2003, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2003, is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements as of and for the year ended December 31, 2003, and in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2003 AND 2002

1. DESCRIPTION OF PLAN

The following description of the Clear Channel Entertainment, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL -- The Plan is a defined contribution plan covering all eligible employees, as defined, of the plan sponsor. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

CONTRIBUTIONS -- Employer contributions to the Plan include matching contributions. Additionally, elective contributions may be made annually at the discretion of the plan sponsor's Board of Directors. The employer matching contributions were \$1,739,071 for the year ended December 31, 2003.

Participants may elect to defer a portion of their compensation by an amount that does not exceed the maximum allowed under IRS rules and regulations. Participants are always 100% vested in their voluntary contributions.

Each year, participants may contribute from 1% up to 25% of pre-tax compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one common stock fund, one common commingled pool, and seventeen registered investment funds.

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form 11-K

PARTICIPANT ACCOUNTS -- Each participant's account is credited with the participant's contribution and allocations of the plan sponsor's contribution and Plan earnings and charged with certain stock fund expenses and transaction fees. Allocations are based on participant account balances and participant directed transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FORFEITURES -- Participant forfeitures of non-vested contributions are used to reduce employer contributions to the Plan. For the Plan year ended December 31, 2003, approximately \$47,000 of forfeitures was used to reduce employer contributions. There are no unallocated forfeitures at December 31, 2003.

VESTING -- Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the plan sponsor's contributions is based on years of continuous service. A participant is 100% vested after five years of credited service (or upon the death, disability, or retirement of the participant).

PARTICIPANT LOANS -- Participants may borrow \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a fixed interest rate at one percent above prime.

PAYMENT OF BENEFITS -- On termination of service, a participant may elect to receive either a lump sum or roll over into another qualified plan or individual retirement account. Hardship withdrawals are available to Plan participants upon approval.

2. SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING -- The financial statements of the Plan are prepared using the accrual method of accounting.

INVESTMENT VALUATION AND INCOME RECOGNITION -- The Plan's interest in the Clear Channel Communications, Inc. Master Trust is stated at fair value.

PAYMENTS OF BENEFITS -- Benefits are recorded when paid.

USE OF ESTIMATES -- The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. PLAN INTEREST IN CLEAR CHANNEL COMMUNICATIONS, INC. MASTER TRUST

The Master Trust was established for the investment of assets of the Plan and three other Clear Channel Communications, Inc., sponsored retirement plans. These investments in the Master Trust consist of and are valued as follows:

Edgar Filing: CLEAR CHANNEL COMMUNICATIONS INC - Form 11-K

- o Sponsored Company stock - quoted market price.
- o Registered investment funds - net asset value of shares held at December 31.
- o Common commingled pool - fair value of the underlying publicly-traded stocks which it holds.
- o Participant loans - valued at cost which approximates fair value.

The purpose of the Master Trust is the collective investment of the assets of participating employee benefit plans of the Company. The Master Trust's assets are allocated among participating plans by assigning to each plan those transactions (primarily contributions and benefit payments) which can be specifically identified and allocating among all plans (in proportion to the fair value of the assets assigned to each plan) the income and expenses resulting from the collective investment of the assets.

The proportionate interest of the Plan in the Master Trust at December 31, 2003 and 2002, was approximately 7.6% and 8.0%, respectively.

### 7. TAX STATUS

The Internal Revenue Service has determined and informed the plan sponsor by a letter dated August 5, 2002, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Effective January 1, 2003, the Clear Channel Entertainment, Inc. 401(k) Savings Plan was amended and restated to reflect recent amendments to the Plan and clarify certain provisions under the Plan, among other matters. Although the Plan has been amended and restated since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

### 8. SUBSEQUENT EVENTS

Effective January 1, 2004, the Plan was amended to add Age 50 Catch-Up employee contributions.

Effective March 15, 2004, the Fidelity Growth Company Fund was added as an investment option. The Janus Twenty Fund was eliminated and all account balances in the Janus Twenty Fund were transferred to the Fidelity Growth Company Fund effective as of the close of business on March 15, 2004. Any contribution elections to the Janus Twenty Fund as of March 15, 2004, were re-allocated to the Fidelity Growth Company Fund.

Effective July 30, 2004, the Fidelity Low-Priced Stock Fund will be closed to new participants. Those participants investing in the fund will be permitted to continue investing. Those participants who do not have an account balance in this fund will not be able to invest in the fund.

### 9. RISK AND UNCERTAINTIES

The Plan may invest in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for Plan benefits.
