Item 4. Description of Securities.

Not Applicable.

Item 5. Interests of Named Experts and Counsel.

Not Applicable.

Item 6. Indemnification of Directors and Officers.

Sections 722 through 726 of the New York Business Corporation Law (the "BCL") grant New York corporations broad powers to indemnify their present and former directors and officers and those of affiliated corporations against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with threatened, pending or completed actions, suits or proceedings to which they are parties or are threatened to be made parties by reason of being or having been such directors or officers, subject to specified conditions and exclusions; give a director or officer who successfully defends an action the right to be so indemnified; and permit a corporation to buy directors' and officers' liability insurance. Such indemnification is not exclusive of any other rights to which those indemnified may be entitled under any by-laws, agreement, vote of shareholders or otherwise.

Section 402(b) of the BCL permits a New York corporation to include in its certificate of incorporation a provision eliminating or limiting the personal liability of directors to the corporation or its shareholders for damages for any breach of duty in such capacity, provided that such provision shall not eliminate the liability of a director (i) for acts or omissions in bad faith or involving intentional misconduct or a knowing violation of law or (ii) by which he personally gained a financial profit or other advantage to which he was not legally entitled or (iii) for acts that violate Section 719 of the BCL or (iv) for any act or omission that occurred prior to the adoption of a provision in the certificate of incorporation providing the protections described in Section 402(b) of the BCL.

Flowserve's Restated Certificate of Incorporation includes the provision permitted by Section 402(b) of the BCL.

Flowserve's Restated By-laws provide that Flowserve shall indemnify its present or future directors and officers from and against any and all liabilities and expenses to the maximum extent permitted by the BCL.

Flowserve has entered into indemnification agreements with its directors and officers that provide indemnification to the fullest extent permitted by the BCL as well as certain additional procedural protections. The indemnification agreements provide that directors and officers will be indemnified to the fullest extent permitted by law against all expenses (including attorney's fees) and settlement amounts paid or incurred by them in any proceeding as directors or officers of Flowserve, including any action on

account of their services as officers or directors of any other company or enterprise when they are serving in such capacities at Flowserve's request. Flowserve must pay in advance of a final disposition of a proceeding or claim, the expenses incurred by the indemnitee no later than 10 days after receipt of an undertaking by or on behalf of the indemnitee, to repay the amount of the expenses to the extent that it is ultimately determined that the indemnitee is not entitled to be indemnified by Flowserve. The indemnification agreements also provide the indemnitee with remedies in the event that Flowserve does not fulfill its obligations under the indemnification agreements.

Flowserve maintains policies of insurance under which its directors and officers are insured, within the limits and subject to the limitations of the policies, against specific expenses in connection with the defense of, and specific liabilities which might be imposed as a result of, actions, suits or proceedings to which they are parties by reason of being or having been directors or officers.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; *provided, however*, that the undertakings set forth in paragraphs (i) and (ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
