**Item 1.01 Entry into a Material Definitive Agreement.**

On December 22, 2006, we entered into definitive purchase and sale agreements to sell all of our interests in ANR Pipeline Company, our Michigan storage assets and our interests in Great Lakes Gas Transmission to subsidiaries and affiliates of TransCanada Corporation for approximately \$3.3 billion in cash, plus the assumption of \$744 million of debt. Related to the sale of Great Lakes, El Paso has agreed to guarantee all of its subsidiary's obligations under the purchase and sale agreement.

The sales price is subject to adjustment for certain changes in working capital and interest on the base sales price between the date of signing and closing. Consummation of the sale is subject to customary conditions, including the accuracy of the representations and warranties, and regulatory approvals. The transactions are expected to close during the first quarter of 2007.

This report contains only a summary of certain provisions of the purchase and sale agreements described above. The summary does not purport to be a complete summary of the agreements and is qualified by reference to the agreements, which are filed as Exhibits 10.A and 10.B to this report. The agreements contain representations, warranties and other provisions that are qualified by reference to disclosure schedules that have not been filed with the agreements. These representations and warranties were made to provide the parties thereto with specified rights and obligations and to allocate risk among them, and they should not be relied upon for business or operational information about any of the parties or their affiliates.
