Item 1.01 Entry into a Material Definitive Agreement

On June 11, 2008, Home Solutions of America, Inc. (the Company) entered into a Preferred Stock Purchase Agreement (the Agreement) with EvenFlow Funding, LLC (EvenFlow), a company beneficially owned by Michael J. McGrath, Jr., the Chairman of the Board of the Company. Pursuant to the Agreement, EvenFlow agreed to initially purchase 100,000 shares of the Company's Series C Preferred Stock, par value \$0.001 per share (the Preferred Stock), for a purchase price of \$10.00 per share, and from time to time thereafter, after receiving notice from the Company, up to 250,000 additional shares of Preferred Stock, for a purchase price of \$10.00 per share. The Company intends to file a Certificate of Designation, in the form attached as Exhibit A to the Agreement, with the Secretary of State of the State of Delaware, which creates the rights and authorizes the Company to issue 350,000 shares of, the Preferred Stock, as soon as possible.

Each share of Preferred Stock will receive a cumulative dividend, which shall accrue and be payable quarterly in arrears in cash or, at the option of the holder, in shares of common stock of the Company, par value \$0.001 per share (the Common Stock), of the greater of (i) 13% per annum (based on any accrued and unpaid dividends attributable to such shares plus the greater of (x) \$10.00 per share of Preferred Stock or, (y) in the case of a liquidation of the Company, the per share amount that share of Preferred Stock would have received had they been converted into common stock immediately prior to such liquidation (the Liquidation Preference Amount)), or (ii) the dividends that would have accrued on such shares if they had been converted into Common Stock immediately prior to the record date of any dividend declared on Common Stock during the applicable quarterly period. Dividends on shares of Preferred Stock will be paid in preference to payment of any dividend or distributions on any shares of Common Stock or other stock of the Company. Shares of Preferred Stock are convertible into a number of shares of Common Stock equal to the quotient of the Liquidation Preference Amount divided by \$1.00, subject to adjustment for certain specified events. Shares of Preferred Stock may be redeemed by the Company at any time for \$12.50 per share, subject to adjustment for certain specified events (the Applicable Redemption Price). Upon the occurrence of a Major Transaction or a Triggering Event (each as defined in the Agreement), or at any time after June 11, 2013, the holder of any shares of Preferred Stock may require the Company to redeem for cash all or a portion of such holders' shares at a price per share equal to the Applicable Redemption Price.

Pursuant to the Agreement, the Company has also agreed to issue EvenFlow warrants to purchase up to 7,000,000 of the Company's shares of common stock (the Warrant Shares) for \$0.01 per share each time EvenFlow purchases Preferred Stock. The form of warrant is attached as Exhibit B to the Agreement. EvenFlow will receive warrants to acquire 20 Warrant Shares for every share of Preferred Stock purchased by EvenFlow at any given time, provided that, for every share of Preferred Stock that the Company redeems, 10 unexercised Warrant Shares (or if a lesser amount of Warrant Shares remain unexercised at the time of redemption, all remaining unexercised Warrant Shares) will expire.

Pursuant to the Agreement, the Company has paid EvenFlow an advisory fee of \$50,000. The Agreement provides EvenFlow registration rights which provide that EvenFlow can require the Company to file a registration statement with the Securities and Exchange Commission covering the Common Stock issuable or issued to EvenFlow (or any subsequent holder) upon conversion of the Preferred Stock or exercise of the warrants.

EvenFlow has to date subscribed for 236,735 shares of Preferred Stock for an aggregate purchase price of \$2,367,350, and received warrants to acquire 4,734,000 shares of Common Stock.

A copy of the Agreement and the exhibits thereto is attached hereto as Exhibit 10.1 and incorporated by reference herein.
