ITEM 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Pursuant to the terms of a Securities Purchase Agreement, dated June 2, 2008, by and among MarketAxess, TCV VI and Member Fund (the Securities Purchase Agreement), the Purchasers agreed to purchase (i) 34,726.525983 shares and 273.474017 shares, respectively, of the Company s Series B Preferred Stock (the Series B Preferred Stock), par value \$0.001 per share (the Shares), and (ii) warrants to purchase 694,530 shares and 5,470 shares, respectively, of Common Stock at an exercise price of \$10.00 per share (the Warrants and, together with the Shares, the Securities). Each Share is initially convertible into 100 shares of Common Stock.

The Securities were purchased in two tranches. In the first tranche, which closed on June 3, 2008, the Purchasers purchased (i) 27,781.220786 and 218.779214 Shares, respectively, and (ii) Warrants to purchase 555,624 and 4,376 shares of Common Stock, respectively. The Purchasers paid a combined purchase price of \$35,000,000 to purchase all of the Securities.

The source of funds for the acquisition of the Securities was from capital contributions from the respective partners of each of the Purchasers.

ITEM 4. PURPOSE OF TRANSACTION.

Securities Purchase Agreement

The Purchasers agreed to purchase, and the Company agreed to sell, the Securities pursuant to the Securities Purchase Agreement. Pursuant to the terms of the Securities Purchase Agreement, the Purchasers have agreed that until the earlier to occur of the seventh anniversary of the date of the Securities Purchase Agreement and the first anniversary

of the date on which the Purchasers no longer own any Securities or any of the shares of Common Stock underlying the Securities, the Purchasers and certain related entities will not at any time acquire beneficial ownership of more than 19.9% of the outstanding shares of Common Stock, treating the shares underlying the Securities as outstanding. During such time, however, the Purchasers may purchase additional shares of Common Stock in market transactions, privately negotiated transactions or otherwise (the Permitted Purchases) so long as such Permitted Purchases do not result in the Purchasers or such related entities acquiring beneficial ownership of more than 19.9% of the outstanding shares of Common Stock. In addition, during such period of time, subject to certain exceptions, the Purchasers have agreed not to publicly propose to enter into any merger or other business combination involving the Company or make or participate in any proxy solicitation for a change in the directors or management of the Company or in connection with a merger or acquisition of the Company.

The Securities Purchase Agreement also provides that if at any time following the approval by the U. K. Financial Services Authority of the Purchasers acquisition of the second tranche of Securities the Purchasers are not entitled to elect a Series B Director pursuant to the terms of the Certificate of Designation (as described below), the Purchasers will have the right to nominate one member of the Company s Board of Directors for so long as the Purchasers beneficially own at least 1,750,000 shares of Common Stock.

A copy of the Securities Purchase Agreement is attached hereto as Exhibit 2 and is incorporated by reference herein.

Certificate of Designation

The rights and privileges of the Shares are contained in the Certificate of Designation of Series B Preferred Stock of MarketAxess Holdings Inc. (the Certificate of Designation) The Purchasers, at each of their option, may convert their Shares at any time into the number of shares of Common Stock determined by dividing the initial issuance price for the Series B Preferred Stock, equal to \$1,000.00 per share (the Original Series B Issue Price), by the Conversion Price (as such term is defined in the Certificate of Designation), which is initially set at \$10.00 per share, plus cash in lieu of fractional shares. The Conversion Price is subject to certain anti-dilution adjustments related to stock splits, recapitalizations, mergers, reorganizations and similar transactions.

The Shares will be automatically converted into Common Stock at the then-applicable Conversion Price if, (i) at any time after the first anniversary of the original issuance of the Series B Preferred Stock, the closing price of the Common Stock is at least 175% of the Conversion Price on each trading day for a period of 65 consecutive trading days and (ii) within 60 days of such period, a registration statement covering the resale of the Common Stock to be issued upon conversion of the Series B Preferred Stock and referred to under the heading Investor Rights Agreement is effective, the holders of the Series B Preferred Stock are not restricted or prohibited from selling the shares of Common Stock to be received upon conversion of their Series B Preferred Stock pursuant to such registration statement, and the closing price of the Common Stock is at least 175% of the Conversion Price.

In the event of a Liquidation Event (as such term is defined in the Certificate of Designation), each holder of Series B Preferred Stock is entitled to receive, prior to any distribution to the holders of Common Stock, the greater of (i) an amount per share equal to the Original Series B Issue Price, plus any declared but unpaid dividends, and (ii) the amount such holder would have received in connection with the Liquidation Event if the holder held the number of shares of Common Stock issuable upon conversion of the Series B Preferred Stock then held by such holder. If the Company declares a dividend or distribution on shares of Common Stock, then the Company shall declare an additional dividend on each Share equal to the amount a holder of a Share would have received if such Share had been converted, at the then effective Conversion Price, into Common Stock immediately prior to the close of business on the record date for such dividend or distribution.

The Certificate of Designation provides that the holders of a majority of the Series B Preferred Stock will have the right to elect one member of the Company's Board of Directors for so long as 17,500 shares of Series B Preferred Stock (or shares of Common Stock into which such shares are converted) remain outstanding (the Series B Director). On July 15, 2008, Robert W. Trudeau, a member of Management VI, was elected by the Purchasers, as the holders of a majority of the Series B Preferred Stock, to the Company's Board of Directors as the Series B Director.

The holders of the Series B Preferred Stock have the right to vote on any matter submitted to a vote of the holders of Common Stock and are entitled to vote that number of votes equal to the aggregate number of shares of Common Stock issuable upon the conversion of such holders' shares of Series B Preferred Stock. For so long as at least 10,500 shares of Series B Preferred Stock are outstanding, an affirmative vote of the majority of the holders of the Series B Preferred Stock is required for the Company to (i) authorize, create or issue any equity, certain debt or other securities superior to or on parity with the Series B Preferred Stock, (ii) increase or decrease the number of authorized shares of Series B Preferred Stock, (iii) amend, waive or repeal the Company's certificate of incorporation or bylaws in a way that adversely affects the Series B Preferred Stock, and (iv) pay any dividends or distribution on the Common Stock or other capital stock of the Company unless after the payment of such dividends or distribution the Company will have an amount of Net Unrestricted Cash (as such term is defined in the Certificate of Designation) greater than the liquidation preference of the then outstanding shares of Series B Preferred Stock.

A copy of the Certificate of Designation is attached hereto as Exhibit 3 and is incorporated by reference herein.

Investor Rights Agreement

The Company and the Purchasers entered into an Investor Rights Agreement dated June 2, 2008 (the Investor Rights Agreement). Pursuant to the Investor Rights Agreement, the Company has agreed to register the resale of the shares of Common Stock issuable upon conversion of the Shares and upon exercise of the Warrants (the Registrable Securities) and, within six months after the closing of the first tranche, to file with the Securities and Exchange Commission a registration statement to register the resale of the Registrable Securities and cause such registration statement to

become effective no later than twelve months after such closing. The Company has agreed to keep the registration statement effective until the Purchasers no longer own any shares of Common Stock issued or issuable upon conversion or exercise of the Shares or Warrants, as applicable, subject to the Company's right to suspend the effectiveness of the registration statement or the use of the prospectus that is part of the registration statement during specified periods under certain circumstances. The Company has also agreed to provide the Purchasers with piggyback registration rights, on a *pari passu* basis with existing registration rights holders (excluding existing holders of demand registration rights), to participate in underwritten public offerings of the Company's securities. The Company is obligated to pay all of the expenses it incurs in connection with such registrations (other than underwriting discounts, selling commissions and stock transfer taxes, if any) as well as reasonable fees and expenses of one counsel to the Purchasers, not to exceed \$25,000, in connection with the exercise of their registration rights. The Company has agreed to indemnify the Purchasers and related persons against certain liabilities under the securities laws in connection with the sale of securities under such registrations. Pursuant to the terms of the Investor Rights Agreement, each Purchaser has agreed that prior to the first anniversary thereof, it shall not transfer any Securities or any underlying shares of Common Stock without the prior written consent of the Company and, thereafter, shall not transfer the Securities or any underlying shares of

Common Stock to any Competitor (as defined in the Investor Rights Agreement) of the Company in a privately negotiated transaction, subject to certain exceptions.

A copy of the Investor Rights Agreement is attached hereto as Exhibit 4 and is incorporated by reference herein.

Warrants

The Warrants represent the right to purchase shares of the Company's Common Stock at an exercise price of \$10.00 per share. Payment of the exercise price may be made in cash, or, subject to certain exceptions, through the surrender of Common Stock underlying Warrants with a fair market value equal to the exercise price of the Warrants being exercised (otherwise known as net-issue exercise). The exercise price and the number of shares issuable upon exercise of the Warrants is subject to anti-dilution adjustment in the event of stock splits and under certain other circumstances as set forth in the Warrants. The Warrants expire on the tenth anniversary of the date they were first issued.

A copy of the form of Warrant issued to the Purchasers is attached hereto as Exhibit 5 and is incorporated by reference herein.

Stockholders Rights Agreement

On June 2, 2008, the Company entered into a Stockholders Rights Agreement (the "Stockholders Rights Agreement") with American Stock Transfer & Trust Company, LLC. Under the Stockholders Rights Agreement, an "Acquiring Person" is a person or group of affiliated or associated persons that has acquired, obtained the right to acquire, or otherwise obtained beneficial ownership of an aggregate of 20% or more of the total voting power represented by all the then outstanding shares of Common Stock and other voting securities of the Company ("Voting Securities"). The Purchasers and certain related entities, however, will not be considered Acquiring Persons so long as the Purchasers and such related entities beneficially own Voting Securities and nonvoting common stock of the Company, par value \$0.003 per share (the "Nonvoting Common Stock") representing, in the aggregate, less than 19.9% of (i) the total voting power of all then outstanding Voting Securities, plus (ii) the total voting power of all shares of Voting Securities into which all outstanding shares of Nonvoting Common Stock are then convertible, plus (iii) the total voting power represented by all Voting Securities issuable upon exercise of the Warrants issued to the Purchasers.

A copy of the Stockholders Rights Agreement is attached hereto as Exhibit 6 and is incorporated by reference herein. The Reporting Persons acquired the Securities for investment purposes. Depending on the factors discussed herein, the Reporting Persons may, from time to time, investigate, evaluate, discuss, negotiate or agree to convert the Shares to Common Stock, exercise all or a portion of the Warrants, make Permitted Purchases and acquire additional shares of Common Stock from the Company or third parties and/or investigate, evaluate, discuss, negotiate or agree to retain and/or sell, exchange or dispose all or a portion of the Shares, Warrants and/or Common Stock issued upon exercise of the Warrants, upon conversion of the Shares or in Permitted Purchases, in the open market, in privately negotiated transactions to the Company or third parties or through distributions to their respective partners, in change of control transactions or tender offers, or otherwise.
