PROXY STATEMENT

*Annual Meeting of Stockholders
To Be Held On Thursday, December 8, 2005*

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the Board of Directors or the Board) of NaviSite, Inc., a Delaware corporation (NaviSite), for use at NaviSite s 2005 Annual Meeting of Stockholders, which will be held on Thursday, December 8, 2005 (the Annual Meeting) at 9:00 a.m., local time, at The Nine Zero Hotel, 90 Tremont Street, Boston, MA 02108, and at any adjournments thereof, for the purposes set forth in the Notice of Annual Meeting of Stockholders (the Notice of Annual Meeting).

The Notice of Annual Meeting, this Proxy Statement, the accompanying proxy card and NaviSite s Annual Report to Stockholders for the fiscal year ended July 31, 2005 (the 2005 Annual Report) are being mailed to stockholders on or about November 15, 2005. NaviSite s principal executive offices are located at 400 Minuteman Road, Andover, Massachusetts 01810 and its telephone number is (978) 682-8300.

Solicitation

The cost of soliciting proxies, including expenses in connection with preparing and mailing this Proxy Statement, will be borne by NaviSite. NaviSite may engage a paid proxy solicitor to assist in the solicitation. Copies of solicitation materials will be furnished to brokerage houses, nominees, fiduciaries and custodians to forward to beneficial owners of NaviSite s common stock, \$.01 par value per share, held in their names. In addition to the solicitation of proxies by mail, NaviSite s directors, officers and other employees may, without additional compensation, solicit proxies by telephone, facsimile, electronic communication and personal interviews. NaviSite will also reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to stockholders.

Record Date, Voting Securities and Votes Required

Only holders of record of NaviSite common stock as of the close of business on Friday, October 28, 2005 (the Record Date) will be entitled to receive notice of and vote at the Annual Meeting and any adjournments thereof. On the Record Date, NaviSite had approximately 28,487,260 shares of common stock issued and outstanding and entitled to be voted. The holders of common stock are entitled to one vote for each share held as of the Record Date on any proposal presented at the Annual Meeting.

A majority of the shares of common stock issued and outstanding and entitled to be voted at the Meeting will constitute a quorum at the Annual Meeting. Votes withheld, abstentions and broker non-votes shall be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting.

The affirmative vote of the holders of a plurality of the votes cast at the Annual Meeting is required for the election of directors (Proposal No. 1). The affirmative vote of the holders of a majority of the shares of NaviSite common stock present or represented by proxy and voting on the matter is required to ratify the appointment of KPMG LLP as NaviSite s independent registered public accounting firm for the fiscal year ending July 31, 2006 (Proposal No. 2).

Table of Contents

Shares which abstain from voting on a particular matter and shares held in street name by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter (broker non-votes) will not be counted as votes in favor of such matter and will also not be counted as votes cast or shares voting on such matter. Accordingly, neither abstentions nor broker non-votes will have any effect upon the outcome of voting with respect to the election of directors (Proposal No. 1), which requires a plurality of the votes cast, or the ratification of the appointment of KPMG LLP as NaviSite's independent registered public accounting firm (Proposal No. 2), which requires an affirmative vote of a majority of the shares of NaviSite common stock present or represented by proxy and voting on the matter.

An automated system administered by NaviSite's transfer agent tabulates the votes. The votes on each matter are tabulated separately.

To vote by mail, complete, date and sign the enclosed proxy card and return it in the enclosed envelope. No postage is necessary if the proxy card is mailed in the United States. If you hold your shares through a bank, broker or other nominee, they will give you separate instructions for voting your shares.

Proxies

Voting By Proxy

Voting instructions are included on your proxy card. If you properly complete, sign and date your proxy card and return it to us (in the postage prepaid envelope provided) in time to vote, one of the individuals named as your proxy will vote your shares as you have directed. If you sign and timely return your proxy card but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, your shares will be voted for each of such proposals and in accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting, and the individuals named in the proxy card will have discretionary authority to vote upon any adjournment of the Annual Meeting.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted by:

Notifying NaviSite's Secretary in writing at the principal executive offices of NaviSite located at 400 Minuteman Road, Andover, MA 01810, Attention: Secretary, before the Annual Meeting that you have revoked your proxy; or

By attending the Annual Meeting and voting in person at the Annual Meeting.

Voting in Person

If you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the meeting. However, if your shares are held in the name of your broker, bank or other nominee, you must bring a proxy from your nominee authorizing you to vote your street name shares held as of the Record Date.

Householding of Annual Meeting Materials

Some banks, brokers and other nominee record holders may be participating in the practice of householding proxy statements and annual reports. This means that only one copy of our Proxy Statement or 2005 Annual Report may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you if you write or call us at the following address or telephone number: Investor Relations Department, NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810, telephone: (978) 682-8300. If you want to receive separate copies of the Proxy Statement or 2005 Annual Report in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker, or other nominee record holder, or you may contact NaviSite at the above address and telephone number.

Table of Contents**Security Ownership of Certain Beneficial Owners and Management**

The following table sets forth certain information as of September 30, 2005 (unless otherwise indicated), with respect to the beneficial ownership of NaviSite common stock by the following:

each person known by NaviSite to beneficially own more than 5% of the outstanding shares of NaviSite common stock;

each of NaviSite's directors;

each of the Named Executive Officers (as defined below under the heading "Executive Compensation"); and

all of the current executive officers and directors as a group.

For purposes of the following table, beneficial ownership is determined in accordance with the rules promulgated by the Securities and Exchange Commission (the "SEC") and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the table, NaviSite believes that each person or entity named in the table has sole voting and investment power with respect to all shares of NaviSite common stock shown as beneficially owned by them (or shares such power with his or her spouse). Under such rules, shares of NaviSite common stock issuable under options that are currently exercisable or exercisable within 60 days after September 30, 2005 ("Presently Exercisable Options") are deemed outstanding and are included in the number of shares beneficially owned by a person named in the table and are used to compute the percentage ownership of that person. These shares are not, however, deemed outstanding for computing the percentage ownership of any other person or entity. Unless otherwise indicated, the address of each person listed in the table is c/o NaviSite, Inc., 400 Minuteman Road, Andover, Massachusetts 01810.

The percentage ownership of NaviSite common stock of each person or entity named in the following table is based on 28,487,260 shares of NaviSite common stock outstanding as of September 30, 2005 plus any shares subject to Presently Exercisable Options held by such person.

**PROPOSAL NO. 2
RATIFICATION OF SELECTION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected KPMG LLP as NaviSite's independent registered public accounting firm to audit NaviSite's financial statements for the fiscal year ending July 31, 2006. KPMG LLP has audited the financial statements of NaviSite for each fiscal year since NaviSite's inception. If the stockholders do not ratify the selection of KPMG LLP as NaviSite's independent registered public accounting firm, the Audit Committee will reconsider its selection. Even if the appointment is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in NaviSite's and its stockholders' best interests. A representative of KPMG LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions from stockholders.

The Board of Directors recommends a vote FOR ratification of the selection of KPMG LLP as NaviSite's independent registered public accounting firm for the fiscal year ending July 31, 2006.

CORPORATE GOVERNANCE AND BOARD MATTERS

Independence of Members of the Board of Directors

Our Board of Directors has determined that our company is a Controlled Company, as defined in the rules of The Nasdaq Stock Market, Inc. because Atlantic Investors, LLC is the beneficial owner of more than 50% of our voting power. We therefore are exempt from certain independence requirements of the Nasdaq rules, including the requirement to maintain a majority of independent directors on our Board of Directors, an independent compensation committee (although we do have a Compensation Committee comprised of three independent directors) and a standing nominating committee or committee performing a similar function.

To increase the quality of the Board's oversight and to lessen the possibility of damaging conflicts of interest, the Board intends to have at least three independent directors, as defined from time to time by The Nasdaq Stock Market, by law or by any rule or regulation of any other regulatory body or self-regulatory body applicable to NaviSite. No director will be considered independent unless the Board of Directors affirmatively determines that the director has no material relationship with NaviSite (either directly or as a

Table of Contents

partner, shareholder or officer of an organization that has a relationship with NaviSite). The Board of Directors has determined that each of Messrs. James Dennedy, Thomas Evans and Larry Schwartz is an independent director as defined in the rules of The Nasdaq Stock Market, and none of Messrs. Dennedy, Evans and Schwartz has a material relationship with NaviSite other than by virtue of his service on the Board of Directors.

Board and Committee Meetings

The Board of Directors held 10 meetings during the fiscal year ended July 31, 2005. Each incumbent director attended at least 75% of the aggregate number of meetings of the Board of Directors and of the committees on which he served. NaviSite strongly encourages all directors to attend the annual meeting of stockholders. All members of the Board of Directors attended the 2004 Annual Meeting of Stockholders.

Committees of the Board of Directors

The Board of Directors has designated two principal standing committees, an audit committee (the Audit Committee) and a compensation committee (the Compensation Committee). The current members of the Audit Committee and the Compensation Committee are identified in the following table:

Name	Audit Committee	Compensation Committee
James Dennedy	Chair	X
Thomas R. Evans	X	X
Larry Schwartz	X	Chair

Audit Committee

The Audit Committee assists the Board of Directors in fulfilling its responsibilities to stockholders concerning NaviSite's financial reporting and internal controls. The Audit Committee facilitates open communication among the Audit Committee, Board of Directors, NaviSite's independent registered public accounting firm and management. The Audit Committee discusses with management and NaviSite's independent registered public accounting firm the financial information developed by NaviSite, NaviSite's systems of internal controls and NaviSite's audit process. The Audit Committee is solely and directly responsible for appointing, evaluating, retaining, and, where necessary, terminating the engagement of NaviSite's independent registered public accounting firm. The independent registered public accounting firm meets with the Audit Committee (both with and without the presence of NaviSite's management) to review and discuss various matters pertaining to the audit, including NaviSite's financial statements, the report of the independent registered public accounting firm on the results, scope and terms of their work, and their recommendations concerning the financial practices, controls, procedures and policies employed by NaviSite.

The Audit Committee preapproves all audit services to be provided to NaviSite by the principal auditor and all other services (including reviewing, attestation and non-audit services) to be provided to NaviSite by the independent registered public accounting firm.

The Audit Committee is charged with establishing procedures for (i) the receipt, retention and treatment of complaints received by NaviSite regarding accounting, internal accounting controls or auditing matters; and (ii) the confidential, anonymous submission by employees of NaviSite of concerns regarding questionable accounting or auditing matters. The Audit Committee reviews all related party transactions on an ongoing basis, and all such transactions must be approved by the Audit Committee. The Audit Committee is authorized, without further action by the Board of Directors, to engage independent legal, accounting and other advisors as it deems necessary or appropriate to carry out its responsibilities. The Board of Directors has adopted a written charter for the Audit Committee.

The Board of Directors has determined that all of the members of the Audit Committee are independent as defined under the rules of The Nasdaq Stock Market, and that the Audit Committee members meet the

Table of Contents

independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934. During the last fiscal year, the Audit Committee held five meetings.

Compensation Committee

The Compensation Committee of the Board of Directors determines salaries, incentives and other forms of compensation for the Chief Executive Officer and the executive officers of NaviSite and reviews and makes recommendations to the Board of Directors with respect to director compensation. In addition, the Compensation Committee administers NaviSite's stock incentive compensation and equity-based plans. The Board of Directors has adopted a written charter for the Compensation Committee. During the last fiscal year, the Compensation Committee held five meetings.

Nominating Committee

We are a Controlled Company, as defined in the rules of The Nasdaq Stock Market, Inc. because Atlantic Investors, LLC is the beneficial owner of more than 50% of our voting power. Therefore, we are exempt from certain independence requirements of the Nasdaq rules, including the requirement to maintain a standing nominating committee or committee performing a similar function, and as such we do not have a separate nominating committee.

The Board serves the function that would otherwise be provided by a separate nominating committee. Each member of the Board of Directors participates in the consideration of director nominees. Generally, the Board of Directors identifies candidates for director nominees in consultation with management and the independent members of the Board, through the use of search firms or other advisers, through the recommendations submitted by stockholders or through such other methods as the Board of Directors deems to be helpful to identify candidates. Once candidates have been identified, the Board of Directors confirms that the candidates meet the qualifications for director nominees established by the Board. The Board of Directors may gather information about the candidates through interviews, questionnaires, background checks, or any other means that the Board of Directors deems to be helpful in the evaluation process. The Board of Directors meets to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of the Board.

In considering whether to include any particular candidate in the Board's slate of recommended director nominees, the Board will consider the candidate's integrity, education, business acumen, knowledge of NaviSite's business and industry, age, experience, diligence, conflicts of interest and the ability to act in the interests of all stockholders. The Board does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. NaviSite believes that the backgrounds and qualifications of its directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities.

The Board of Directors will consider director candidates who are recommended by the stockholders of NaviSite. Such recommendation for nomination must be in writing and include the following:

Name and address of the stockholder making the recommendation;

Upon re-election to the Board, each independent director and the Chairman of the Board will receive a stock option for 15,000 shares of NaviSite common stock, which stock option will vest monthly over a period of 12 months. The Chairman of the Audit Committee and the Compensation Committee will not receive any additional stock options by virtue of his position as a committee Chairman.

During the 2005 fiscal year, Messrs. A. Ruhan, G. Ruhan and Becker were not paid for service on the Board of Directors. Apart from the arrangements discussed above, NaviSite does not pay any cash compensation to members of its Board of Directors for their services as members of the Board of Directors, although directors are reimbursed for their reasonable travel expenses incurred in connection with attending Board of Directors and committee meetings. Directors who are also NaviSite officers or employees are eligible to participate in the Amended and Restated 2003 Stock Incentive Plan.

Compensation Committee Report on Executive Compensation

NaviSite's executive compensation program is administered by the Compensation Committee of the Board of Directors. The Compensation Committee determines the salaries of, establishes bonuses for and grants stock options to NaviSite's executive officers.

Compensation Philosophy. NaviSite's executive compensation program has three objectives: (i) to align the interests of its executive officers with the interests of NaviSite's stockholders by basing a significant portion of an executive's compensation on NaviSite's performance; (ii) to attract and retain talented executive officers who can contribute to the success of NaviSite; and (iii) to provide incentives for superior performance by NaviSite's executives. To achieve these objectives, the Compensation Committee has developed a compensation program that consists of base salary, short-term incentive compensation in the form of a bonus, and long-term incentive compensation in the form of stock options. These compensation elements are in addition to the general benefit programs that are offered to all of NaviSite's executive officers.

Base Salaries and Short-term Incentive Compensation. The Compensation Committee reviews NaviSite's executive compensation program annually. In its review, the Compensation Committee assesses the competitiveness of NaviSite's executive compensation program by comparing its pay practices with those of other companies whose business and financial condition are similar to that of NaviSite's. In determining individual salaries and bonuses, the Compensation Committee considers overall corporate performance, business unit performance, individual performance and an individual's historical salary and bonus levels. The Compensation Committee evaluates corporate performance and business unit performance by assessing the extent to which established business objectives are met. Individual performance is evaluated by considering the executive's responsibilities, the importance of the executive to NaviSite, the contribution of the executive with respect to NaviSite's performance, the extent to which the executive met or exceeded individual goals, the executive's expertise and experience and the executive's future potential. The Compensation Committee has determined not to establish a short-term incentive or bonus plan for NaviSite's executive officers until NaviSite's current capital structure is improved or resolved. Therefore, in fiscal 2005, because of NaviSite's financial condition, NaviSite did not make a bonus payment to any executive officer except for Stephen Pace, to whom NaviSite paid a bonus in the amount of \$30,000. The bonus paid to Stephen Pace was a bonus that was previously owed to Mr. Pace by Surebridge, Inc. and that NaviSite agreed to pay in connection with its acquisition of the Surebridge business.

Long-Term Incentive Compensation. The Compensation Committee believes that placing a portion of an executive's total compensation in the form of stock options achieves three objectives: (i) it aligns the interest of NaviSite's executives directly with those of NaviSite's stockholders; (ii) it gives executives a significant long-term

interest in NaviSite's success; and (iii) it helps NaviSite retain key executives. In

Table of Contents

determining the number and terms of options to grant an executive, the Compensation Committee will primarily consider the executive's past performance and the degree to which an incentive for long-term performance would benefit NaviSite. The Compensation Committee also considers the number of shares of NaviSite common stock covered by, and the exercise price of, outstanding stock options, the total number of shares reserved for issuance under NaviSite's stock option plans, NaviSite's projected hiring needs for the near future and the recent performance of NaviSite.

Compensation of the Chief Executive Officer. The Compensation Committee believes that the compensation of the Chief Executive Officer is consistent with NaviSite's general policies concerning executive compensation and is appropriate in light of NaviSite's financial objectives and performance. Awards of intermediate and long-term incentive compensation to the Chief Executive Officer are considered concurrently with awards to other executive officers and follow the same general policies as such other intermediate and long-term incentive awards. In determining the Chief Executive Officer's compensation, the Compensation Committee considers the factors described above with respect to other executive officers. In addition, the Compensation Committee considers the extent to which the Chief Executive Officer anticipates opportunities and takes advantage of them, the extent to which he anticipates problems and avoids them, the success of his efforts towards building NaviSite's management team, business and infrastructure and his involvement in improving the operating and financial performance of NaviSite. Based on these factors and considerations, the Compensation Committee elected to set Mr. Becker's annual base salary for fiscal 2005 at \$275,000. Because of NaviSite's financial condition, NaviSite did not pay any cash bonuses to Mr. Becker in fiscal 2005. In lieu of a cash bonus, the Compensation Committee granted Mr. Becker an option to purchase 500,000 shares of NaviSite common stock at an exercise price per share equal to \$1.58. The stock option vests in equal installments on a monthly basis until fully vested on the third anniversary of the grant date.

Policy on Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), generally disallows a federal income tax deduction to public companies for certain compensation over \$1,000,000 paid to a company's Chief Executive Officer and four other most highly compensated executive officers. Qualifying performance-based compensation will not be subject to the deduction limit if certain requirements are met. The Compensation Committee intends to review the potential effects of Section 162(m) periodically and intends to structure NaviSite's stock option grants and certain other equity-based awards in a manner that is intended to avoid disallowances under Section 162(m) of the Code unless the Compensation Committee believes that such compliance would not be in the best interest of NaviSite or its stockholders.

Certain Relationships and Related Transactions

Atlantic Investors, LLC

On January 29, 2003, we entered into a \$10.0 million Loan and Security Agreement (the Atlantic Loan) with Atlantic Investors, LLC. The Atlantic Loan bears an interest rate of 8% per annum. Interest is payable upon demand or, at Atlantic's option, interest may be added to the outstanding balance due to Atlantic by NaviSite. Atlantic may make demand for payment of amounts in excess of the minimum Atlantic Loan amount of \$2.0 million (the Minimum Loan Amount), with 60 days notice. Atlantic can demand payment of the Minimum Loan Amount with 90 days notice. Under the Atlantic Loan agreement, we can require Atlantic to loan us (1) up to \$2.0 million to repay an amount due from CBTM to Unicorn, a related party to NaviSite and Atlantic; (2) \$1.0 million for costs associated with our acquisition of Avasta; and (3) up to \$500,000 for the post-acquisition working capital needs of Avasta. Atlantic, at its sole and absolute discretion, may advance other amounts to us such that the aggregate amount borrowed by NaviSite does not exceed the maximum loan amount, defined as the lesser of \$10.0 million or 65% of our consolidated accounts receivables. The Atlantic Loan is secured by all of our receivables and is subordinated to the borrowings from Silicon Valley Bank. Since January 2004, the parties have agreed on several occasions to extend the maturity date of the Atlantic Loan, most recently on July 26, 2005, when the Atlantic Loan was amended to extend any and all credit advances under the Atlantic Loan made prior to, or following, July 26, 2005, to become due on the earlier of (i) February 1, 2006 or (ii) five (5) business days following the closing of a financing transaction or disposition pursuant to which we receive net proceeds of \$13.0 million after first satisfying the mandatory prepayment obligation under those certain promissory notes due to Waythere, Inc. (formerly known as Surebridge, Inc.).

Hewlett-Packard Financial Services Company and Affiliates

In connection with our acquisition of CBTM, we assumed CBTM's equipment lease pursuant to which CBTM had leased hardware and software from HPFS. Pursuant to the assumed equipment lease, we are required to make monthly payments to HPFS through May 2007, following which we will own the leased items. In connection with our acquisition of Surebridge, we assumed Surebridge's equipment lease pursuant to which Surebridge had leased hardware and software from HPFS. Pursuant to the assumed equipment lease, we are required to make monthly payments to HPFS through May 2007, following which we will own the leased items. In October 2004 we entered into a Reaffirmation and Modification Agreement with HPFS pursuant to which we restructured the equipment lease to refinance past due amounts and remaining obligations under the equipment lease and to finance the buyout amount with respect to the leased hardware and software. In connection with this restructuring, we were required to guaranty the obligations of CBTM and ManagedOps.com, Inc. with respect to the restructured leases. As of July 31, 2005, the aggregate balance outstanding under the assumed leases was approximately \$2.2 million.

Table of Contents

In August 2003, HPFS and CBT entered into a transaction agreement under which HPFS exchanged all of the remaining shares of CBT common stock it owned for 2,115,957 shares of our common stock owned by CBT, and HPFS assumed a portion of a promissory note payable to Atlantic Investors made by CBT in the amount of approximately \$4.5 million. Upon completion of this transaction, the promissory note issued by Atlantic Investors to HPFS was offset against the promissory note assumed by HPFS to Atlantic Investors. A single new promissory note was issued by HPFS to Atlantic Investors in the principal amount of approximately \$3.6 million.

Pursuant to a services agreement between NaviSite and HPFS, during the 2005 fiscal year HPFS provided technology support services to NaviSite for which NaviSite paid approximately \$1.2 million plus \$274,440 in past due amounts assumed from Waythere, Inc. (formerly known as Surebridge, Inc.). The services agreement may be terminated by NaviSite with 30 days notice and by HPFS with 60 days notice.

Waythere, Inc.

On June 10, 2004, we completed the acquisition of substantially all of the assets and liabilities of Surebridge, Inc., a privately held provider of managed application services for mid-market companies. Under the terms of the Asset Purchase Agreement, we acquired substantially all of the assets and liabilities of Surebridge in exchange for two promissory notes in the aggregate principal amount of approximately \$39.3 million and three million shares of NaviSite common stock (the Fixed Shares).

The promissory notes we issued to Surebridge (now known as Waythere, Inc.) consist of a Primary Note and an Escrow Note. The Primary Note is in the principal amount of approximately \$32.5 million. The Escrow Note is in the principal amount of approximately \$6.8 million and has been deposited into escrow for the purpose of satisfying indemnification claims by NaviSite pursuant to the Asset Purchase Agreement. The notes accrue interest on the unpaid balance at an annual rate of 10%, however no interest accrued on any principal paid within nine months of the closing. The notes must be paid in full no later than the second anniversary of the closing. In addition, in the event that we realize net proceeds in excess of \$1 million from certain equity or debt financings or sales of assets, we are obligated to use a significant portion of the proceeds to make payments on the notes.

The outstanding principal and accrued interest under the notes is convertible into shares of NaviSite common stock at the election of the holder at a conversion price of \$4.642.

On December 31, 2004, we paid an aggregate of \$800,000 of principal to Waythere under the Primary Note. On August 1, 2005, we paid an additional \$750,000 of principal to Waythere in connection with our sale of certain assets relating to its business of marketing and selling Microsoft Business Solutions products and services. On August 25, 2005, the parties made a \$2,168,652 adjustment to the outstanding principal under the Primary Note as a result of working capital adjustments provided for in the Asset Purchase Agreement. On August 25, 2005, the parties also made a \$937,063 adjustment to the outstanding principal under the Escrow Note as a result of the termination of a Master Services and License Agreement between Surebridge and MRO Software. As of September 30, 2005, the aggregate outstanding principal and accrued interest under the notes was approximately \$39.3 million.

Mr. Becker and NaviSite have also entered into an indemnification agreement pursuant to which he will be indemnified by NaviSite, subject to certain limitations, for any liabilities incurred by him in connection with his role as a director and officer of NaviSite.

John J. Gavin, Jr.

On May 6, 2004, Mr. Gavin and NaviSite entered into an employment agreement pursuant to which Mr. Gavin is employed as NaviSite's Chief Financial Officer. Mr. Gavin's agreement is for a continuous term, but subject to the provisions described below, may be terminated by either party at any time. Pursuant to this agreement, Mr. Gavin is entitled to receive:

a base salary, currently \$250,000 per year, which is reviewed by our Board of Directors annually (but no more frequently than annually); and

fringe benefits, including stock options and health insurance and other benefits available to our employees.

If Mr. Gavin's employment is terminated (i) by reason of death or disability, (ii) by NaviSite with Cause (as defined) or (iii) due to his voluntary resignation without Good Reason (as defined), then he will receive no additional salary or benefits other than what has accrued through the date of termination.

If Mr. Gavin's employment is terminated by NaviSite without Cause or by Mr. Gavin with Good Reason, and he signs a general release of known and unknown claims in a form satisfactory to NaviSite, Mr. Gavin will receive severance payments at his final base salary rate, less applicable withholding, and continuation of medical benefits until the earlier of (i) six or twelve months after the date of his termination (depending on the reason, date of severance and amount of time served with NaviSite) and (ii) the date on which Mr. Gavin commences other employment.

Kenneth Drake

We entered into an employment agreement with Kenneth Drake as of July 15, 2003, pursuant to which he was employed as NaviSite's General Counsel. Pursuant to this agreement, Mr. Drake was entitled to receive:

an annual base salary of \$180,000 per year; and

fringe benefits, including stock options and health insurance and other benefits available to our employees.

Mr. Drake was also eligible for an annual discretionary bonus based in part upon NaviSite's achievement of various goals set by Mr. Drake and NaviSite's President and Chief Executive Officer.

Pursuant to the agreement, if Mr. Drake's employment was terminated (i) by reason of death or disability, (ii) by NaviSite with Cause (as defined) or (iii) due to his voluntary resignation without Good Reason (as defined), then he was not entitled to receive any additional salary or benefits other than what had accrued through the date of termination.

If Mr. Drake's employment was terminated by NaviSite without Cause or by Mr. Drake with Good Reason, and he signed a general release of known and unknown claims in a form satisfactory to NaviSite, Mr. Drake would have received severance payments at his final base salary rate, less applicable withholding, and continuation of medical benefits until six months after the date of his termination.

Mr. Drake voluntarily resigned as NaviSite's General Counsel, which resignation was effective on July 4, 2005. Because Mr. Drake voluntarily resigned, he received no payments from NaviSite pursuant to his employment agreement as a result of his resignation other than payments of base salary and vacation accrued through the effective date of his resignation.

Stephen Pace

In connection with NaviSite's acquisition of Surebridge, NaviSite and Mr. Pace entered into an employment offer letter, dated as of June 9, 2004, which provided for the employment of Mr. Pace as NaviSite's Senior Vice President, Sales and Marketing. Pursuant to this agreement, Mr. Pace was entitled to receive:

an annual base salary of \$255,000;

additional compensation under NaviSite's 2005 Senior Vice President, Sales and Marketing Compensation Plan; and

fringe benefits, including stock options, health insurance, a car allowance and other benefits available to our employees.

Mr. Pace also received a bonus of \$30,000 that NaviSite had previously agreed to pay in connection with the Surebridge acquisition.

The employment offer letter also provided that in the event NaviSite terminated Mr. Pace's employment for reasons other than cause (as defined), NaviSite would continue to pay Mr. Pace his base salary for a period of 12 months, provided that if Mr. Pace commenced any employment during the 12-month period following the termination of his employment, the remaining amount of base salary to be paid by NaviSite would be reduced by the amount of compensation received by Mr. Pace from such other employment.

Mr. Pace voluntarily resigned as NaviSite's Senior Vice President, Sales and Marketing, which resignation was effective on June 3, 2005. Because Mr. Pace voluntarily resigned, he received no payments from NaviSite pursuant to his employment offer letter as a result of his resignation other than payments of base salary, commissions, car allowance and vacation accrued through the effective date of his resignation.
