Item 3.02 Unregistered Sales of Equity Securities

On January 2, 2007, NaviSite, Inc. (the Company), pursuant to the terms of the Amended and Restated Loan Agreement (the Amended Loan Agreement) dated as of April 11, 2006, which amended and restated the existing Loan and Security Agreement (the Loan Agreement), dated as of January 29, 2003, by and between the Company and Atlantic Investors, LLC (Atlantic), received notice from Atlantic of its election to convert the full amount of the Company's outstanding repayment obligations under the Amended Loan Agreement into 1,374,950.18 shares of the Company's common stock. Under the Loan Agreement, the Company could request Atlantic make advances to the Company up to the maximum loan amount, defined as the lesser of \$10.0 million or 65% of the Company's consolidated accounts receivables. The Loan Agreement was amended and restated to, among other things, evidence the maximum loan amount of \$3,691,099.53 (which amount equaled the outstanding repayment obligations under the Loan Agreement) and allow for the option to convert such outstanding obligations into shares of the Company's common stock. Under the Amended Loan Agreement, if the Company did not pay in full the Company's outstanding repayment obligations by July 10, 2006, Atlantic had the right, but not the obligation, to convert such outstanding amounts into shares of the Company's common stock by dividing (i) the dollar value of the outstanding obligations by (ii) \$2.81, rounded to the nearest whole share. The Company will issue a check payable to Atlantic for the cash amount payable in respect of the fractional shares.

The shares issuable upon conversion of the outstanding repayment obligations under the Amended Loan Agreement were not registered under the Securities Act of 1933, as amended (the Securities Act). The Company relied on the exemption from registration provided by Section 4(2) of the Securities Act as a sale by the Company not involving a public offering. No underwriters were involved with the issuance of the shares issuable upon conversion of the outstanding repayment obligations under the Amended Loan Agreement.
