Lock-ups:

The number of shares of common stock available for sale in the public market is limited by restrictions under federal securities law and under lock-up agreements that the members of NaviSite's Board of Directors, its executive officers and the selling stockholders have entered into with the underwriters. Lock-up agreements with NaviSite's directors and executive officers will restrict holders of approximately 2,300,000 shares of NaviSite's common stock from selling, pledging or otherwise disposing of their shares for a period of 90 days after the date of the prospectus relating to this offering without the prior written consent of CIBC World Markets Corp. and Thomas Weisel Partners LLC. Lock-up agreements with the selling stockholders, other than Waythere, Inc. and SPCP Group, L.L.C. and SPCP Group III LLC, will restrict them from selling, pledging or otherwise disposing of an aggregate of approximately 23,000,000 shares of NaviSite's common stock for a period of 270 days following the date of the prospectus relating to this offering, except that 90 days after the date of the prospectus relating to this offering, the lock-up will no longer apply to a total of 1,000,000 shares of common stock held by each selling stockholder and 180 days after the date of the prospectus relating to this offering, the lock-up will no longer apply to a total of 2,000,000 shares of common stock held by each selling stockholder. A lock-up agreement with Waythere, Inc. restricts it from selling, pledging or otherwise disposing of an aggregate of approximately 2,200,000 shares of NaviSite's common stock for a period ending on the earliest of (a) January 31, 2007; (b) the date on which NaviSite notifies the selling stockholders that it is no longer contemplating consummating an offering prior to January 31, 2007; and (c) the date on which this offering is consummated. A lock-up agreement with SPCP Group, L.L.C. and SPCP Group III LLC restricts them from selling, pledging or otherwise disposing of an aggregate of approximately 3,500,000 shares of NaviSite's common stock for a period of approximately 180 days beginning December 15, 2006. However, CIBC World Markets Corp. and Thomas Weisel Partners LLC may, in their sole discretion, release all or any portion of the common stock from the restrictions of the lock-up agreements at any time. Upon the expiration of the lock-up agreements, approximately 20,000,000 shares of NaviSite's common stock previously covered by the lock-up agreements, including 400,000 shares held by Waythere, Inc. that are not being sold in this offering, will be eligible for sale into the public market under Rule 144 of the Securities Act of 1933, as amended.
