Section 5 Corporate Governance and Management

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On April 17, 2008 our board of directors amended sections 4.2 and 4.3 of our amended and restated bylaws to provide for uncertificated shares of our common stock. This amendment is effective immediately. Previously, shares of our common stock could only be represented by a physical share certificate. This action was taken in order to enable us to comply with Nasdaq Stock Market Marketplace Rule 4350(l), which requires Nasdaq-listed securities to be eligible for a direct registration program operated by a clearing agency registered under Section 17A of the Securities and Exchange Act of 1934, as amended. A direct registration program is a system for book-entry ownership of stock or other securities, in which shares are owned, recorded and transferred electronically without issuance of a physical share certificate.

The description of the amendment to our bylaws set forth herein does not purport to be complete and is qualified in its entirety by reference to the full text of our bylaws attached hereto as exhibit 3.1 and incorporated herein by reference.
