About the Annual Meeting and Voting

Our Board of Directors is soliciting your proxy to vote at our annual meeting of shareholders (or at any adjournment of the meeting). This proxy statement summarizes the information you need to know to vote at the meeting.

We began mailing this proxy statement and the enclosed proxy card on or about December 13, 2005, to all shareholders entitled to vote. The Woodward Governor Company Annual Report, which includes our financial statements, is being sent with this proxy statement. The financial statements contained in the Woodward Annual Report are not deemed material to the exercise of prudent judgment in regard to the matters to be acted upon at the annual meeting, and, therefore, are not incorporated by reference into this proxy statement.

Shareholders who owned Woodward Common Stock at the close of business on the record date, November 28, 2005, are entitled to vote at the meeting. As of the record date, there were 11,442,871 shares outstanding.

Each share of Woodward Common Stock that you own entitles you to one vote, except for the election of directors. Since three directors are standing for election, you will be entitled to three director votes for each share of stock you own. Of this total, you may choose how many votes you wish to cast for each director.

Woodward offers shareholders the opportunity to vote by mail, by telephone, or via the Internet. Instructions to use these methods are set forth on the enclosed proxy card.

If you vote by telephone or via the Internet, please have your proxy or voting instruction card available. A telephone or Internet vote authorizes the named proxies in the same manner as if you marked, signed, and returned the card by mail. Voting by telephone and via the Internet are valid proxy voting methods under the laws of Delaware (our state of incorporation) and Woodward Bylaws.

If you properly fill in your proxy card and send it to us in time to vote, one of the individuals named on your proxy card (your proxy) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will follow the Board's recommendations and vote your shares:

FOR the election of the Board's nominees to the Board of Directors;

FOR the proposal to ratify the appointment of PricewaterhouseCoopers LLP as independent registered public accounting firm;

FOR the proposal to approve the Woodward Governor Company 2006 Omnibus Incentive Plan; and

FOR the proposal to amend Article Fourth of the Certificate of Incorporation to increase the number of authorized shares of Common Stock from 50,000,000 to 100,000,000 as well as to effect a three-for-one stock split of the Common Stock.

If any other matter is presented at the meeting, your proxy will vote in accordance with his or her best judgment. At the time this proxy statement went to press, we knew of no other matters to be acted on at the meeting.

You may revoke your proxy by:

sending in another signed proxy card with a later date,

notifying our Corporate Secretary in writing before the meeting that you have revoked your proxy, or

voting in person at the meeting.

If you want to give your written proxy to someone other than individuals named on the proxy card:

cross out the individuals named and insert the name of the individual you are authorizing to vote, or

provide a written authorization to the individual you are authorizing to vote along with your proxy card.

About the Annual Meeting and Voting (continued)

Concerning the issues submitted to the shareholders, votes required for approval are as follows:

Proposal 1 Directors are elected by a plurality vote of shares present at the meeting, meaning that the three director nominees receiving the most votes will be elected.

Proposal 2 Ratification of the appointment of PricewaterhouseCoopers LLP as independent registered public accounting firm is by an affirmative vote of the majority of shares present at the meeting and entitled to vote.

Proposal 3 Approval of the Woodward Governor Company 2006 Omnibus Incentive Plan is by an affirmative vote of the majority of shares present at the meeting and entitled to vote.

Proposal 4 The affirmative vote by the holders of two-thirds of the outstanding shares of Common Stock as of the record date is required to amend Article Fourth of the Certificate of Incorporation to increase the number of authorized shares from 50,000,000 to 100,000,000 and to effect a three-for-one stock split of the Common Stock.

A quorum of shareholders is necessary to hold a valid meeting. The presence, in person or by proxy, at the meeting of holders of shares representing a majority of the votes of the Common Stock entitled to vote constitutes a quorum. Abstentions and broker non-votes are counted as present for establishing a quorum. A broker non-vote occurs when a broker votes on some matters on the proxy card but not on others because he or she is not permitted to vote on that item absent instruction from the beneficial owner of the shares and no instruction is given. Abstentions have the same effect as votes against a matter because they are considered present and entitled to vote, but are not voted. Broker non-votes will have no effect on the vote, except with respect to Proposal 4.

Audit Committee

The Audit Committee oversees and monitors management's and the independent registered public accounting firm's participation in the financial reporting process. The Committee operates under a Charter that more fully describes the responsibilities of the Committee. Consistent with Nasdaq's independent director and Audit Committee listing standards, and in accordance with the Committee Charter, all members of the Audit Committee are independent directors. The Board of Directors has determined that all members of the Audit Committee are Audit Committee Financial Experts, as the Securities and Exchange Commission defines that term. The Committee held seven meetings in fiscal 2005.

Compensation Committee

The Compensation Committee recommends the base compensation of Woodward's officers and key personnel, and evaluates the performance of and reviews the results of the annual member evaluation for those individuals. The Committee administers the Company's Long-Term Management Incentive Compensation Plan and the 2002 Stock Option Plan, determining and taking all action, including granting of all incentives and/ or stock options to eligible worker members, in accordance with the terms of the Plans. The Committee held four meetings in fiscal 2005.

Executive Committee

The Executive Committee exercises all the powers and authority of the Board of Directors in the management of the business when the Board is not in session and when, in the opinion of the Chairman, the matter should not be postponed until the next scheduled Board meeting. The Committee may declare cash dividends. The Committee may not authorize certain major corporate actions such as amending the Certificate of Incorporation, amending the Bylaws, adopting an agreement of merger or consolidation, or recommending the sale, lease, or exchange of substantially all of Woodward's assets. The Committee held three meetings in fiscal 2005.

**Nominating and
Governance Committee**

The Nominating and Governance Committee recommends qualified individuals to fill any vacancies on the Board and develops and administers the Director Guidelines, the Company's corporate governance guidelines. In accordance with SEC guidelines and the Committee's Charter, all members of the Nominating and Governance Committee are independent directors. The Committee held two meetings in fiscal 2005.

**Director Nomination
Process**

The Nominating and Governance Committee considers candidates for Board membership as recommended by directors, management, or shareholders. The Committee uses the same criteria

Table of Contents

Board Meetings and Committees (continued)

to evaluate all candidates for Board membership and, as it deems necessary, may engage consultants or third-party search firms to assist in identifying and evaluating potential nominees.

Director candidates are expected to possess the highest levels of personal and professional ethics, integrity, values, and independence. Prospective directors should be committed to representing the long-term interests of the shareholders. A potential director must exhibit an inquisitive and objective perspective, an ability to think strategically, an ability to identify practical problems, and an ability to assess alternative courses of action that contribute to the long-term success of the business. The Committee is committed to exercising best practices of corporate governance and recognizes the importance of a Board that contains diverse experience at policy-making levels in business, public service, education and technology, as well as other relevant knowledge that contributes to the Company's global activities. Board members must have industry expertise and/or commit to understanding the Company's industry as a basis to address strategic and operational issues of importance to the Company.

Every effort is made to complement and supplement skills within the Board and strengthen identified areas of need. The Committee considers relevant factors, as it deems appropriate, including the current composition of the Board and the need for expertise in various Board committees. The Committee will consider the ability of candidates to meet independence and other requirements of the SEC or other regulatory bodies exercising authority over the Company. In assessing candidates, the Committee considers criteria such as education, experience, diversity, knowledge, and understanding of matters such as finance, manufacturing, technology, distribution, and other areas that are frequently encountered by a complex business. The Committee will make inquiries of prospective Board candidates about their ability to devote sufficient time to carry out their duties and responsibilities effectively, and whether they are committed to serve on the Board for a sufficient time to make significant contributions to the governance of the organization.

The Committee evaluation normally requires one or more members of the Committee, and others as appropriate, to interview prospective nominees in person or by telephone. Upon identification of a qualified candidate, the Nominating and Governance Committee will recommend a candidate for consideration by the full Board.

Nominations for Board membership may be provided to the Nominating and Governance Committee by submitting the candidate's name and qualifications to Woodward Governor Company, Attn: Corporate Secretary, 5001 North Second Street, Rockford, Illinois 61111. When submitting candidates for nomination, information must be provided in accordance with Woodward's Bylaws.

Compensation Committee Report on Executive Compensation

The goal of the Compensation Committee (the Committee) is to establish and administer a compensation program that will (1) offer competitive compensation to attract, retain, and motivate a high-quality senior management team, and (2) link total annual cash compensation to Company and individual performance. The Committee believes proper administration of such a program will result in development of a management team that embraces the best long-term interests of Woodward and its shareholders.

To accomplish this goal, the Committee, comprised entirely of independent directors, structures total compensation packages comprised of base salary, short-term and long-term incentive compensation, and stock options.

Market-based compensation recognizes responsibilities and accountabilities for similarly situated positions within a representative comparative group. Guidance is provided by a professional compensation and benefits consulting firm. This process establishes base compensation and targets for incentive/variable compensation.

Compensation Structure and Components

individuals are assigned to salary grade ranges based upon their position

base salary is set within the range based upon actual job responsibilities, performance, and experience in the job

annual incentive compensation targets of at least 10 percent, but not more than 70 percent, of base salary are established

incentive compensation targets are tied to salary grade

Base Salary

Base salary and annual rate adjustments are based on individual performance, experience, responsibilities, management and leadership abilities.

Annual Incentive Compensation

Annual cash incentives are based on overall financial performance of the Company or individual groups or operating units, achievement of short-term objectives, and direct individual performance. If certain minimum target results are not achieved, no annual

incentive is paid. If targeted levels are attained, annual incentive levels range from 10 percent to 70 percent of base salary. Participants

Table of Contents

Compensation Committee Report on Executive Compensation (continued)

have an opportunity to significantly increase their annual incentive compensation above targeted levels for outstanding performance, to a maximum of 200% target.

The Woodward Governor Company 2002 Stock Option Plan (the Stock Option Plan) was established to further Woodward's long-term growth and profitability by offering long-term incentives to certain key management worker members and directors who are not worker members. By providing an equity position in the Company, the Compensation Committee believes that participants' interests will be better aligned with those of the Company's shareholders.

The Stock Option Plan authorizes awards of both incentive and nonqualified stock options to worker members and nonqualified stock options to independent directors. Management makes recommendations to the Committee on the size of grant, if any, for each participant. The option price of the shares is determined at the date of the grant and will not be less than the fair market value as quoted on Nasdaq on that date.

In fiscal 2005, 34 worker members and 7 independent directors were granted options under the Stock Option Plan.

Long-Term Management Incentive Compensation Plan

In fiscal 2000, the Company established a long-term, performance-based compensation plan. Eligibility is limited to a few top-level executives, currently three individuals, as determined by the Compensation Committee. The Committee sets long-term performance goals and confirms attainment or lack thereof. The performance goals are established to encourage consistent, sustainable growth and are measured over three-year cycles.

Long-term cash award opportunities are determined at the beginning of each performance cycle and are based on goals associated with:

average annual growth in earnings per share

average annual return on invested assets

A target award is established for each eligible executive based upon salary grade ranging from 40 percent to 50 percent of base salary. A threshold level of performance is established below which the executive receives no incentive award. Once threshold performance is achieved, the executive receives a minimum award equal to 5 percent to 10 percent of the target award. Above threshold performance, the award increases proportionally until target performance is achieved. The award opportunity continues to increase for above-target performance to a practical maximum of 200 percent of the target award.

Compensation of the Chairman and Chief Executive Officer

Table of Contents**Executive Compensation** (continued)**Transitional Compensation Agreements**

Woodward has transitional compensation agreements with Messrs. Halbrook, Gendron, and Weber that become operative only upon a change in control or other specified event. For purposes of these agreements, a change in control occurs if:

any person, entity, or group (with certain exceptions) becomes the beneficial owner of 15 percent or more of the outstanding shares of Woodward Common Stock; or

there is a change in a majority of the Board during any two-year period other than by election or nomination by a vote of two-thirds of the Board members as of the beginning of the period; or Woodward's shareholders approve a merger, consolidation, sale of assets, or share exchange resulting in Woodward's shareholders owning less than 51 percent of the combined voting power of the surviving corporation following the transaction; or

Woodward's shareholders approve a liquidation or dissolution.

Following a change in control, Woodward will continue to employ the executive for a minimum period of two years in substantially the same position, for substantially the same compensation and benefits. If the executive's employment is terminated by Woodward (other than for cause or due to death or disability), or the executive terminates with good reason (as defined in the agreement), he or she receives an amount (payable in a lump sum) equal to 300 percent of each of (1) the executive's annual base salary, (2) highest annual bonus in the last three years, (3) highest long-term incentive compensation bonus in the last three years, and (4) the sum of the Retirement Savings Plan and Executive Benefit Plan annual contributions made or credited for the benefit of the executive. Member benefits shall be continued at Woodward's expense for a period of three years after the date of termination. Outplacement services will be provided at Woodward's expense as well as tax preparation services for the executive's taxable year in which the termination occurred.

If the benefits and amount payable to the executives are subject to federal excise tax, the executive officers will also be entitled to receive an additional payment so they will receive (on a net basis) the same amount they would have received absent the applicability of the excise tax.

No gain to the optionee is possible unless the stock price increases over the option term.

Long-Term Management Incentive Compensation Plan Awards

See Compensation Committee Report on Executive Compensation for a description of the Long-Term Management Incentive Compensation Plan (LTMIC). The following table shows, for the named executive officers, the calculated future payouts, if any, under the LTMIC for the three-year performance cycle that began in fiscal year 2005. Threshold amounts are the minimum amounts payable under the LTMIC provided that the minimum level of performance is achieved with respect to the pre-established performance objectives, measured in terms of the Company's cumulative earnings per share and return on average invested assets for the cycle. If such performance is not achieved, amounts will be zero.

We recommended to the Board of Directors that the consolidated balance sheets of the Company at September 30, 2005 and 2004, and the related statements of consolidated earnings, shareholders' equity and cash flows of the Company for each of the three years ended September 30, 2005, be included in the Company's Annual Report on Form 10-K filed with the Securities and Exchange Commission for the year ended September 30, 2005. Our recommendation was based on our review and discussion of the audited financial statements with management, and our discussions with PricewaterhouseCoopers LLP, the independent registered public accounting firm who audited the financial statements.

We discussed with PricewaterhouseCoopers LLP the matters required to be discussed under Statement of Auditing Standards No. 61. We also discussed with PricewaterhouseCoopers LLP their independence, received from them the written disclosures and the letter required by Independence Standards Board Standard No. 1, and considered whether the provision of services other than audit services (the fees for which are disclosed in the table that follows) is compatible with maintaining their independence.

Audit Committee's Policy on Pre-Approval of Services Provided by Independent Registered Public Accounting Firm

The Audit Committee is responsible for appointing, setting compensation for, and overseeing the work of the independent registered public accounting firm. As a result, the Audit Committee has established a policy regarding pre-approval of all services provided by the independent registered public accounting firm. Under the established policy, all audit services and related fees require the specific approval of the Audit Committee. For audit-related services, tax services, and all other services, the Audit Committee has determined specific services and dollar thresholds under which such services would be considered pre-approved. To the extent that management requests services other than these pre-approved services, or beyond the dollar thresholds, the Audit Committee must specifically approve the services. Furthermore, under the established policy, the independent registered public accounting firm is prohibited from performing the non-audit services identified by the SEC as prohibited. Also, the policy requires management to prepare reports for the Audit Committee on a periodic basis on the Company's use of the independent registered public accounting firm.

Fees Paid to PricewaterhouseCoopers LLP

The following table presents fees for professional audit services rendered by PricewaterhouseCoopers LLP for the audit of the Company's consolidated financial statements as of and for the years ended September 30, 2005, and September 30, 2004, and fees billed for other services rendered by PricewaterhouseCoopers LLP during those periods.

Year ended September 30	2005	2004
Audit Fees	\$ 1,242,500	\$ 599,032
Audit-Related Fees (1)	0	95,638
Tax Fees	264,222	220,407
All Other Fees (2)	678	74,462
Total	\$ 1,507,400	\$ 989,539

- (1) Audit-Related Fees consist of assurance and related services that are reasonably related to the performance of the audit of the financial statements. This category includes fees for pension and benefit plan audits, consultations concerning accounting and financial reporting standards, assistance with statutory financial reporting, consultation on general internal control matters or Sarbanes-Oxley assistance, due diligence related to mergers and acquisitions, and other auditing procedures and issuance of special purpose reports.
- (2) All Other Fees consist primarily of internal investigations, training, and actuarial reports and calculations (that had approved contracts in place prior to May 6, 2003 and were performed prior to May 6, 2004). In fiscal 2004, approximately 29% of All Other Fees were approved by the Audit Committee under the de minimis exception to the pre-approval requirements.

2 PROPOSAL RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected the accounting firm of PricewaterhouseCoopers LLP to serve as the Company's independent registered public accounting firm for the fiscal year ending September 30, 2006. A proposal to ratify the appointment of PricewaterhouseCoopers LLP for the current year will be presented at the Annual Meeting. A representative from the firm is expected to attend the Annual Meeting and will have the opportunity to make a statement, if he or she desires to do so, and be available to answer appropriate questions. PricewaterhouseCoopers LLP served as Woodward's independent registered public accounting firm for the year ended September 30, 2005. The decision of the Audit Committee to appoint PricewaterhouseCoopers LLP was based on careful consideration of the firm's qualifications as an independent registered public accounting firm.

Your Board of Directors recommends a vote FOR the Ratification of the Appointment of Independent Registered Public Accounting Firm presented in Proposal 2.

3 PROPOSAL APPROVAL OF THE WOODWARD GOVERNOR COMPANY 2006 OMNIBUS INCENTIVE PLAN

The Woodward Governor Company 2006 Omnibus Incentive Plan (the Plan) has been established to replace the Woodward Governor Company 2002 Stock Option Plan (2002 Plan), which will expire on December 31, 2006, and the Woodward Long-Term Management Incentive Compensation Plan (collectively with the 2002 Plan, the Prior Plans).

The proposed Plan is intended to develop worker members' sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage certain key management worker members and members of the Company's Board of Directors to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. In order to build a stable and experienced management team, the Company seeks to maintain and strengthen these individuals' desire to remain with the Company as well as to attract able individuals to become employees or serve as directors. As with the Prior Plans, the ultimate goal of the Plan is to encourage those individuals who are and will be responsible for the Company's future growth and continued success to have a greater personal financial investment in the Company through ownership of its Common Stock. This Plan retains many of the features of the Prior Plans plus provides new features that will allow greater flexibility, such as performance shares, performance units, stock appreciation rights, restricted stock and restricted stock unit awards. As with the Prior Plans, all awards can only be made pursuant to the authority of the Board.

Key features of the Plan are described below, but are qualified in their entirety by reference to the full text of the Plan attached as Exhibit C to this proxy statement:

The maximum number of shares available under the Plan totals 1,235,000 shares (subject to adjustment upon the occurrence of various corporate events as described in the 2006 Plan), which shall consist of 522,593 shares rolled over from the 2002 Plan and new shares or treasury shares. Also available will be any of the shares already subject to awards granted and outstanding under the Prior Plans but only to the extent that such outstanding awards are forfeited, expire, or otherwise terminate without the issuance of shares;

Up to 370,500 shares of the Plan's share authorization (e.g., 30% of the share authorization) may be issued pursuant to Full Value Awards (awards other than stock options or stock appreciation rights that are settled by the issuance of shares) without regard to the nature or extent of the applicable restrictions;

If the Plan is approved by the shareholders, no additional awards will be made after the Effective Date under any of the Prior Plans, though awards previously granted under the Prior Plans will remain outstanding in accordance with their terms;

Awards may include stock options, stock appreciation rights, restricted stock, restricted stock units, performance units, performance shares, covered employee annual incentive awards, cash-based awards, and other stock-based awards;

The exercise price of options and the grant price of stock appreciation rights must be at least equal to 100% of the Fair Market Value of the shares as determined on the date of the grant;

The maximum term of options and stock appreciation rights is 10 years;

The Plan does not allow reloads, repricing, stock options issued at a discount to fair market value, or nonqualified stock options, or stock appreciation rights to be transferred by a participant for consideration.

Proposal 3 (continued)

Eligibility

Employees and Directors who are not also worker members of the Company who are selected by the Committee are eligible to participate in the Plan.

Federal Income Tax Consequences

The following discussion summarizes certain federal income tax consequences of the issuance and receipt of options under the Plan under the law as in effect on the date of this proxy statement. The summary does not purport to cover all federal employment tax or other federal tax consequences that may be associated with the Plan, nor does it cover state, local, or non-U.S. taxes.

Incentive Stock Options

An employee generally realizes no taxable income upon the grant or exercise of an ISO. However, the exercise of an ISO may result in an alternative minimum tax liability to the employee. With some exceptions, a disposition of shares purchased under an ISO within two (2) years from the date of grant or within one (1) year after exercise produces ordinary income to the optionee equal to the value of the shares at the time of exercise less the exercise price. The same amount is deductible by the Company as compensation, provided that the Company reports the income to the employee. Any additional gain recognized in the disposition is treated as a capital gain for which the Company is not entitled to a deduction. If the employee exercises an ISO and satisfies the holding period requirements, the Company may not deduct any amount in connection with the ISO.

In general, an ISO that is exercised by the optionee more than three months after termination of employment is treated as an NQSO. ISOs are also treated as NQSOs to the extent they first become exercisable by an individual in any calendar year for shares having a fair market value (determined as of the date of grant) in excess of one hundred thousand dollars (\$100,000).

Non-Qualified Stock Options

An optionee generally has no taxable income at the time of grant of an NQSO but realizes income in connection with exercise of the option in an amount equal to the excess (at the time of exercise) of the fair market value of shares acquired upon exercise over the exercise price. For employee optionees, the same amount is deductible by the Company as compensation, provided that the Company reports the income to the employee. Upon a subsequent sale or exchange of the shares, any recognized gain or loss after the date of exercise is treated as capital gain or loss for which the Company is not entitled to a deduction.

Other Information

Upon approval of the Company's shareholders, the Plan will be effective on January 25, 2006, and will terminate on January 25, 2016, unless terminated earlier by the Board of Directors. The Board may amend the Plan as it deems advisable, except that it may not amend the Plan without shareholder approval where the absence of such approval would cause the Plan to fail to comply with any requirement of applicable law or regulation. Employees who will participate in the Plan in the future and the amounts of their allotments are to be determined by the Committee subject to any restrictions outlined in the Plan. No such determinations have yet been made and it is not possible to state the terms of any individual options that may be issued under the Plan or the names or positions of or respective amounts of the allotment to any individuals who may participate.

The Board believes it is in the best long-term interests of both shareholders and worker members of the Company to maintain a progressive stock-based incentive program in order to attract and retain the services of outstanding personnel and to encourage such personnel to have a greater financial investment in the Company. Although the success of the Company over the past ten years cannot be attributed solely to the adoption of the Prior Plans, the Board firmly believes they contributed to the Company's success.

Your Board of Directors recommends a vote FOR the Approval of the Woodward Governor Company 2006 Omnibus Incentive Plan presented in Proposal 3.

PROPOSAL 4 AMENDMENT OF ARTICLE FOURTH OF THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 50,000,000 TO 100,000,000 AS WELL AS TO EFFECT A THREE-FOR-ONE STOCK SPLIT OF THE COMMON STOCK

The Board of Directors recommends approval of an amendment to Article Fourth of the Company's Certificate of Incorporation (the "Certificate") to increase the number of authorized shares of Common Stock from 50,000,000 to 100,000,000, and to effect a three-for-one stock split by reclassifying and changing each share of the Company's Common Stock outstanding or held in the treasury of the Company on the effective date of the amendment into three shares of Common Stock.

24

Table of Contents

Proposal 4 (continued)

If the proposal is adopted by the shareholders, it is currently expected that the amendment and stock split will become effective as of the close of business on February 1, 2006, and on or about February 14, 2006, there will be mailed to each shareholder of record as of the close of business on February 1, 2006, two additional shares of Common Stock for each share held. All new certificates issued will have a par value of \$0.00291 per share. Each certificate currently outstanding with a par value of \$0.00875 per share shall thereafter be deemed to represent the same number of shares with a par value of \$0.00291 each. It will not be necessary for shareholders to surrender outstanding stock certificates.

The Company is advised by counsel that the change in par value and the receipt of additional shares to be distributed pursuant to the split will not be subject to federal income tax under existing laws. The split will require an allocation of the tax basis of each share among the three shares held as a result of the split, and the holding period for the new shares will include the holding period of the share with respect to which it was issued.

The purpose of the proposed stock split is to lower the per share market price of the Company's outstanding Common Stock. As of November 28, 2005, 12,160,000 shares of Common Stock, \$0.00875 par value, were issued, of which 11,442,871 shares were outstanding and 717,129 shares were held by the Company as treasury shares. Assuming the increase in the number of authorized shares of Common Stock and the stock split were effective on such date, 34,328,613 shares would be outstanding, 2,151,387 shares would be held by the Company as treasury shares and 63,520,000 shares would be authorized and available for issuance by the Company.

Your Board of Directors recommends a vote FOR the Proposal to Amend Article Fourth of the Certificate of Incorporation to increase the number of authorized shares of Common Stock from 50,000,000 to 100,000,000 as well as to effect a three-for-one stock split of the Common Stock.

An affirmative vote of the holders of two-thirds of the outstanding Common Stock is necessary for the adoption of the proposed amendment.

Shareholder Proposals

If you want to submit a proposal for possible inclusion in our proxy statement for the 2006 Annual Meeting of Shareholders, you must ensure your proposal is received by us on or before August 15, 2006.

If you intend to present a proposal to shareholders, but do not want it included in the proxy statement, management's proxies for that meeting will be entitled to exercise their discretionary authority on that proposal, unless we receive notice of your proposal no later than October 28, 2006. Even if we receive proper notice before October 28, 2006, the proxies may still exercise their discretionary authority on the proposal by telling shareholders about the proposal and how they intend to vote on it, unless you solicit proxies for the proposal as required by Rule 14a-4(c)(2) under the Exchange Act.

Other Matters

Woodward is soliciting this proxy on behalf of its Board of Directors. This solicitation is being made by mail, but also may be made by telephone or in person. The Company has employed Morrow & Company to solicit proxies for the annual meeting from brokers, bank nominees, other institutional holders, and certain individual shareholders. The Company will also pay the regular charge of brokers and other nominees who hold shares of record for forwarding proxy material to the beneficial owners of such shares.

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Option Price, the maximum duration of the Option, the number of Shares to which the Option pertains, the conditions upon which an Option shall become vested and exercisable, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan. The Option Price for each grant of an Option under this Plan shall be determined by the Committee in its sole discretion and shall be specified in the Award Agreement; provided, however, the Option Price must be at least equal to one hundred percent (100%) of the FMV of the Shares as determined on the date of grant.

6.6 Payment. Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee, or by complying with any alternative procedures which may be authorized by the Committee, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares.

The Option Price of any Option shall be payable to the Company in full either: (a) in cash or its equivalent; (b) by tendering (either by actual delivery or attestation) previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the Option Price (provided that except as otherwise determined by the Committee, the Shares that are tendered must have been held by the Participant for at least six (6) months (or such other period, if any, as the Committee may permit) prior to their tender to satisfy the Option Price if acquired under this Plan or any other compensation plan maintained by the Company or have been purchased on the open market); (c) by a cashless (broker-assisted) exercise; (d) by a combination of (a), (b) and/or (c); or (e) any other method approved or accepted by the Committee in its sole discretion.

6.8 Termination of Employment. Each Participant's Award Agreement shall set forth the extent to which the Participant shall have the right to exercise the Option following termination of the Participant's employment or provision of services to the Company, its Affiliates, and/or its Subsidiaries, as the case may be. Such provisions shall be determined in the sole discretion of the Committee, shall be included in the Award Agreement entered into with each Participant, need not be uniform among all Options issued pursuant to this Article 6, and may reflect distinctions based on the reasons for termination.

Article 17. Rights of Participants

Article 18. Change of Control

18.1 Change of Control of the Company. Notwithstanding any other provision of this Plan to the contrary, the provisions of this Article 18 shall apply in the event of a Change of Control, unless otherwise determined by the Committee in connection with the grant of an Award as reflected in the applicable Award Agreement.

Upon a Change of Control, except to the extent that another Award meeting the requirements of Section 18.2 (a Replacement Award) is provided to the Participant to replace such Award (the Replaced Award), all then-outstanding Stock Options and Stock Appreciation Rights shall immediately become fully vested and exercisable, and all other then-outstanding Awards whose exercisability depends merely on the satisfaction of a service obligation by a Participant to the Company, Subsidiary, or Affiliate shall vest in full and be free of restrictions related to the vesting of such Awards. The treatment of any other Awards shall be as determined by the Committee in connection with the grant thereof, as reflected in the applicable Award Agreement.

Except to the extent that a Replacement Award is provided to the Participant, the Committee may, in its sole discretion, (i) determine that any or all outstanding Awards granted under the Plan, whether or not exercisable, will be canceled and terminated and that in connection with such cancellation and termination the holder of such Award may receive for each Share of Common Stock subject to such Awards a cash payment (or the delivery of shares of stock, other securities or a combination of cash, stock and securities equivalent to such cash payment) equal to the difference, if any, between the consideration received by shareholders of the Company in respect of a Share of Common Stock in connection with such transaction and the purchase price per share, if any, under the Award multiplied by the number of Shares of Common Stock subject to such Award; provided that if such product is zero or less or to the extent that the Award is not then exercisable, the Awards will be canceled and terminated without payment therefore or (ii) provide that the period to exercise Options or Stock Appreciation Rights granted under the Plan shall be extended (but not beyond the expiration of such Option or Stock Appreciation Right).

18.2 Replacement Awards. An Award shall meet the conditions of this Section 18.2 (and hence qualify as a Replacement Award) if: (i) it has a value at least equal to the value of the Replaced Award as determined by the Committee in its sole discretion; (ii) it relates to publicly traded equity securities of the

Company or its successor in the Change of Control or another entity that is affiliated with the Company or its successor following the Change of Control; and (iii) its other terms and conditions are not less favorable to the Participant than the terms and conditions of the Replaced Award (including the provisions that would apply in the event of a subsequent Change of Control). Without limiting the generality of the foregoing, the Replacement Award may take the form of a continuation of the Replaced Award if the requirements of the preceding sentence are satisfied. The determination of whether the conditions of this Section 18.2 are satisfied shall be made by the Committee, as constituted immediately before the Change of Control, in its sole discretion.

18.3 Termination of Employment. Upon a termination of employment or termination of directorship of a Participant occurring in connection with or during the period of two (2) years after such Change of Control, other than for Cause, (i) all Replacement Awards held by the Participant shall become fully vested and (if applicable) exercisable and free of restrictions, and (ii) all Stock Options and Stock Appreciation Rights held by the Participant immediately before the termination of employment or termination of directorship that the Participant held as of the date of the Change of Control or that constitute Replacement Awards shall remain exercisable for not less than one (1) year following such termination or until the expiration of the stated term of such Stock Option or SAR, whichever period is shorter; provided, that if the applicable Award Agreement provides for a longer period of exercisability, that provision shall control.

All such elections shall be irrevocable, made in writing, and signed by the Participant, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 21. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

22.2 Legend. The certificates for Shares may include any legend which the Committee deems appropriate to reflect any restrictions on transfer of such Shares.

22.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

22.4 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

22.5 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

22.6 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

22.7 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

22.8 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

22.9 Employees Based Outside of the United States. Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company, its Affiliates, and/or its Subsidiaries operate or have Employees or Directors, the Committee, in its sole discretion, shall have the power and authority to:

- (a) Determine which Affiliates and Subsidiaries shall be covered by this Plan;
- (b) Determine which Employees and/or Directors outside the United States are eligible to participate in this Plan;
- (c) Modify the terms and conditions of any Award granted to Employees and/or Directors outside the United States to comply with applicable foreign laws;
- (d) Establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 22.9 by the Committee shall be attached to this Plan document as appendices; and
- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

22.10 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

22.11 Unfunded Plan. Participants shall have no right, title, or interest whatsoever in or to any investments that the Company, and/or its Subsidiaries, and/or its Affiliates may make to aid it in meeting its obligations under this

Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative, or any other individual. To the extent that any individual acquires a right to receive payments from the Company, its Subsidiaries, and/or its Affiliates under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company, a Subsidiary, or an Affiliate, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, a Subsidiary, or an Affiliate, as the case may be and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

22.12 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

22.13 Retirement and Welfare Plans. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards, except pursuant to Covered Employee Annual Incentive Awards, may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's or Affiliate's retirement plans (both qualified and non-qualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

22.14 Deferred Compensation. No deferral of compensation (as defined under Code Section 409A or guidance thereto) is intended under this Plan. Notwithstanding this intent, if any Award would be considered deferred compensation as defined under Code Section 409A and if this Plan fails to meet the requirements of Code Section 409A with respect to such Award, then such Award shall be null and void. However, the Committee may permit deferrals of compensation pursuant to the terms of a Participant's Award Agreement, a separate plan or a subplan which meets the requirements of Code Section 409A and any related guidance. Additionally, to the extent any Award is subject to Code Section 409A, notwithstanding any provision herein to the contrary, the Plan does not permit the acceleration of the time or schedule of any distribution related to such Award, except as permitted by Code Section 409A, the regulations thereunder, and/or the Secretary of the United States Treasury.

22.15 Nonexclusivity of this Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

22.16 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's or an Affiliate's right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or, (ii) limit the right or power of the Company or a Subsidiary or an Affiliate to take any action which such entity deems to be necessary or appropriate.

22.17 Governing Law. The Plan and each Award Agreement shall be governed by the laws of the State of Delaware, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. Unless otherwise provided in the Award Agreement, recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts of Delaware, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement.

22.18 Indemnification. Subject to requirements of Delaware law, each individual who is or shall have been a member of the Board, or a Committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with Article 3, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by the Participant in connection with or resulting from any claim, action, suit, or proceeding to which the Participant may be a party or in which the Participant may be involved by reason of any action taken or failure to act under this Plan and against and from any and all amounts paid by the Participant in settlement thereof, with the Company's approval, or paid by the Participant in satisfaction of any judgement in any such action, suit, or proceeding against the Participant, provided the Participant shall give the Company an opportunity, at its own expense, to handle and defend the same before the Participant undertakes to handle and defend it on the Participant's own behalf, unless such loss, cost, liability, or expense is a result of the Participant's own willful misconduct or except as expressly provided by statute.

The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such individuals may be entitled under the Company's Certificate of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

(c) Each certificate representing issued shares of Common Stock of the Corporation with a par value of \$0.00875 per share shall be deemed to represent the same number of shares of Common Stock of the Corporation with a par value of \$0.00291 per share authorized by this amendment; and

(d) Each holder of record of a certificate representing shares of Common Stock of the Corporation with a par value of \$0.00875 per share shall be entitled to receive as soon as practicable without surrender of such certificate a certificate representing two additional shares of Common Stock of the Corporation of the par value of \$0.00291 per share authorized by this amendment for each share of Common Stock represented by the certificate of such holder immediately prior to this amendment becoming effective.
