PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

TO BE HELD ON THURSDAY, MAY 11, 2006

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

This proxy statement (the "Proxy Statement") is furnished in connection with the solicitation of proxies by the Board of Directors of Brightpoint, Inc. (the "Company") for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Thursday, May 11, 2006, at 9:00 a.m. local time, at the Company's offices located at 501 Airtech Parkway, Plainfield, Indiana 46168, including any adjournment or adjournments thereof, for the purposes set forth in the accompanying Notice of Meeting.

Management intends to mail this Proxy Statement and the accompanying form of proxy to shareholders on or about April 20, 2006.

GENERAL INFORMATION

Proxies in the accompanying form, duly executed and returned to the management of the Company and not revoked, will be voted at the Annual Meeting. Any proxy given pursuant to such solicitation may be revoked by the shareholder at any time prior to the voting of the proxy by a subsequently dated proxy, by written notification to the Secretary of the Company, or by personally withdrawing the proxy at the Annual Meeting and voting in person.

It is anticipated that all of the Company's Board of Directors and Executive Officers will be present at the Annual Meeting and that a presentation will be made after the conclusion of the business to be conducted at the Annual Meeting.

The address and telephone number of the principal executive offices of the Company are: 501 Airtech Parkway, Plainfield, Indiana 46168, telephone number: (317) 707-2355.

The following questions and answers provide important information about the Annual Meeting and this Proxy Statement:

Q. What am I voting on?

A. (i) The election of three Class III directors (Kari-Pekka Wilska, Marisa E. Pratt and Jerre L. Stead), and (ii) ratifying the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006.

Q. Who is entitled to vote?

A. Shareholders of record as of the close of business on April 18, 2006 (the "Record Date"), are entitled to vote at the Annual Meeting. Each shareholder is entitled to one vote for each share of the Company's Common Stock held on the Record Date.

-1-

Q. How do I vote?

A. You may sign and date each paper proxy card you receive and return it in the prepaid envelope. If you return your signed proxy but do not indicate your voting preferences, we will vote on your behalf FOR all nominees for directors and all proposals as specified in the Proxy Statement.

You may also vote by telephone or via the Internet. See "Voting by Telephone or via the Internet" below for further details. Please note that there are separate telephone and Internet voting arrangements depending upon whether shares are registered in your name or in the name of a bank or broker.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

Q. How may I revoke or change my vote?

A. You have the right to revoke your proxy any time before the meeting by (i) notifying the Company's Secretary or (ii) returning a later-dated proxy. You may also revoke your proxy by voting in person at the Annual Meeting.

Q. What does it mean if I receive more than one proxy card?

A. It may mean that you are the registered holder of shares in more than one account. Sign and return all proxy cards to ensure that all your shares are voted. You may call American Stock Transfer & Trust Company at 1-800-937-5449 if you have any questions regarding the share information or your address appearing on the paper proxy card.

Q. Who will count the votes?

A. A Senior Vice President of the Company will tabulate the votes and act as the independent inspector of election.

Q. What constitutes a quorum?

A. A majority of the outstanding shares, present or represented by proxy, of the Company's Common Stock constitutes a quorum for the Annual Meeting. As of the Record Date 41,783,803 shares of the Company's Common Stock \$.01 par value per share (the "Common Stock") were issued and outstanding.

Q. How many votes are needed for the election of the directors?

A. The directors will be elected by a plurality of the votes cast at the Annual Meeting, meaning the three nominees receiving the highest number of votes will be elected as directors. Only votes cast for a nominee will be counted, except that a properly executed proxy that does not specify a vote with respect to the nominees will be voted for the three nominees whose names are printed on the proxy card (Kari-Pekka Wilska, Marisa E. Pratt and Jerre L. Stead). Abstentions and broker non-votes (as described below) will have no effect on the election of directors.

Q. How many votes are needed for the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006?

-2-

A. The affirmative vote of the holders of a majority of the shares of Common Stock represented at the Annual Meeting in person or by proxy and entitled to vote at the Annual Meeting is required for the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2006. Broker non-votes will not be treated as entitled to vote on this matter and will therefore have no effect on the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm.

Q. What is a "broker non-vote"?

A. A "broker non-vote" occurs when a broker submits a proxy that does not indicate a vote for some of the proposals because the broker has not received instructions from the beneficial owners of how to vote on such proposals and does not have discretionary authority to vote in the absence of instructions.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

Q: How may I communicate with the Board of Directors?

A: The Board of Directors, through its Corporate Governance and Nominating Committee, has established a process for shareholders to send communications to the Board of Directors. You may communicate with the Board of Directors individually or as a group by writing to: The Board of Directors of Brightpoint, Inc. c/o Corporate Secretary, 501 Airtech Parkway, Plainfield, Indiana 46168 or via e-mail: board.directors@brightpoint.com. You should identify your communication as being from a Brightpoint shareholder. The Corporate Secretary may require reasonable evidence that your communication or other submission is made by a Brightpoint shareholder before transmitting your communication to the Board of Directors.

OUTSTANDING STOCK AND VOTING RIGHTS

Only shareholders of record at the close of business on the Record Date are entitled to notice of and to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 41,783,803 shares of Common Stock, the Company's only class of voting securities. Each share entitles the holder to one vote on each matter submitted to a vote at the Annual Meeting.

VOTING PROCEDURES AND PROXY INFORMATION

The proxies will be voted in accordance with the instructions thereon. Unless otherwise stated, all shares represented by such proxy will be voted as instructed. Proxies may be revoked as noted above.

The entire cost of soliciting proxies, including the costs of preparing, assembling, printing and mailing this Proxy Statement, the proxy and any additional soliciting material furnished to shareholders, will be borne by the Company. The Company has retained Innisfree M&A Incorporated, a proxy solicitation firm, for assistance in connection with the solicitation of proxies for the Annual Meeting at a cost of \$8,500 plus reimbursement of reasonable out of pocket expenses. In addition, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxies and proxy materials to the beneficial owners of stock, and the Company may reimburse such persons for their expenses.

VOTING BY TELEPHONE OR VIA THE INTERNET

For Shares Registered in the Name of a Brokerage Firm or Bank. A number of brokerage firms and banks are participating in a program provided through ADP Investor Communication Services that offers telephone and Internet voting options. This program is different from the program provided by American Stock Transfer & Trust Company for shares registered in the name of the shareholder. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you may vote those shares telephonically by calling the telephone number referenced on your voting form. If your shares are held in an account at a brokerage firm or bank participating in the ADP program, you already have been offered the opportunity to elect to vote via the Internet. Votes submitted via the Internet through the ADP program must be received by 11:59 p.m. (EDT) on May 10, 2006. The giving of such proxy will not affect your right to vote in person should you decide to attend the Annual Meeting.

For Shares Directly Registered in the Name of the Shareholder.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

Shareholders with shares registered directly with American Stock Transfer & Trust Company may vote telephonically by calling American Stock Transfer & Trust Company at 1-800-PROXIES (1-800-776-9437) or you may vote via the Internet at www.voteproxy.com.

The telephone and Internet voting procedures are designed to authenticate shareholders identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been recorded properly. Shareholders voting via the Internet through either American Stock Transfer & Trust Company or ADP Investor Communication Services should understand that there may be costs associated with electronic access, such as usage charges from Internet access providers and telephone companies, that must be borne by the shareholder.

PROPOSAL I -

TO ELECT THREE DIRECTORS TO SERVE UNTIL THE 2009 ANNUAL MEETING

The Company's By-Laws provide that the Board of Directors of the Company is divided into three classes (Class I, Class II and Class III). At each Annual Meeting of shareholders, directors constituting one class are elected for a three-year term. Stead to serve as Class III directors.

At this year's Annual Meeting, the proxies granted by shareholders will be voted individually for the election, as directors of the Company, of the persons listed below, unless a proxy specifies that it is not to be voted in favor of a nominee for director. In the event the nominees listed below shall be unable to serve, it is intended that the proxy will be voted for such other nominees as are designated by the Board of Directors.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

The responsibilities of the Audit Committee are to oversee the Company's financial reporting process and internal audit function on behalf of the Board and to report the results of their activities to the Board. The Committee fulfills its responsibilities through periodic meetings with the Company's independent registered public accounting firm, internal auditors and members of management.

Throughout the year the Audit Committee monitors matters related to the independence of Ernst & Young LLP, the Company's independent registered public accounting firm. As part of its monitoring activities, the Committee obtained a letter from Ernst & Young LLP, containing a description of all relationships between the independent registered public accounting firm and the Company. After reviewing the letter and discussing it with management, the Committee discussed with Ernst & Young LLP its overall relationship with the Company and any of those relationships described in the letter that could impact Ernst & Young LLP's objectivity and independence. Based on its continued monitoring activities and year-end review, the Committee has satisfied itself as to Ernst & Young LLP's independence. Ernst & Young LLP also has confirmed in its letter that, in its professional judgment, it is independent of the Company within the meaning of the Federal securities laws and within the requirements of Independence Standard Board (ISB) Standard No. 1, Independence Discussion with Audit Committees.

The Committee also discussed with management, the Company's internal auditors and its independent registered public accounting firm, the quality and adequacy of the Company's internal controls and the internal audit function's management, organization, responsibilities, budget and staffing. The Committee reviewed with both the independent registered public accounting firm and the internal auditors their audit plans, audit scope, and identification of audit risks.

The Committee discussed and reviewed with the independent registered public accounting firm all matters required by auditing standards generally accepted in the United States of America, including those described in SAS 61, "Communication with Audit Committees." With and without management present, the Committee discussed and reviewed the results of the independent registered public accounting firm's examination of the financial statements. The Committee also discussed the results of the internal audit examinations.

The Committee reviewed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2005 with management and the independent registered public accounting firm. Management has the responsibility for the preparation and integrity of the Company's financial statements and the independent registered public accounting firm has the responsibility for the examination of those statements. Based on the above-mentioned review and discussions with management and the independent registered public accounting firm, the Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission. The Committee also reappointed Ernst & Young LLP as the Company's independent registered public accounting firm subject to shareholder ratification of such appointment.

The number of performance based options granted represents the net number of options based on the satisfaction of 65% of the performance requirements.

(2) The options were granted on February 7, 2005 under our 2004 Long-Term Stock Incentive Plan. The options are exercisable as to one-third of the shares covered thereby on the first, second and third anniversaries of the date of grant.

(4) The potential realizable value columns of the table illustrate values that might be realized upon exercise of the options immediately prior to their expiration, assuming our Common Stock appreciates at the compounded rates specified over the term of the options. These numbers do not take into account provisions of options providing for termination of the option following termination of employment or nontransferability of the options

and do not make any provision for taxes associated with exercise. Because actual gains will depend upon, among other things, future performance of the Common Stock, there can be no assurance that the amounts reflected in this table will be achieved.

- (5) Mr. Terence resigned as the Company's Executive Vice President, Chief Financial Officer, Treasurer and principal financial officer in June 2005. In June 2005, Ms. Kelley resigned as the Company's Senior Vice President, Corporate Controller and Chief Accounting Officer.

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

grant-date value of the Annual Awards referred to in (2) above from \$50,000) as additional Elective Awards under the Director Stock Compensation Plan. The Director Stock Compensation Plan, adopted in 2004 and approved by shareholders, provides that 2,025,000 (split adjusted) shares of our Common Stock be reserved for issuance to Independent Directors. In 2005, an aggregate of 72,422 restricted shares of Common Stock were granted to Independent Directors under the Director Stock Compensation Plan.

For the fiscal year ended December 31, 2005, our Lead Independent Director received (1) a \$100,000 cash retainer; (2) 4,500 (split adjusted) restricted shares of the Company's Common Stock which constitute Annual Awards under the Director Stock Compensation Plan; and (3) additional restricted shares of Common Stock (equal to the difference obtained by subtracting the grant-date value of the Annual Awards referred to in (2) above from \$100,000) as additional Elective Awards under the Director Stock Compensation Plan.

-18-

In 2005, the Corporate Governance and Nominating Committee chairperson, the Compensation and Human Resources Committee chairperson and Audit Committee chairperson received \$20,000, \$20,000 and \$35,000 for services rendered in those roles. Members of the Audit Committee received annual payments of \$10,000 for services rendered in their capacity as Audit Committee members.

In June 2005 the Company granted the following compensation to Richard W. Roedel in connection with his service as the Chairperson of the Finance Committee of the Board: (i) a cash payment of \$7,500 per calendar month, effective as of April 1, 2005 through February, 2006, and (ii) an award of 4,500 shares (split adjusted) of Restricted Stock under the Company's 2004 Long-Term Stock Incentive Plan (the "Plan"). The Finance Committee was disbanded when the Company filed its Form 10-K for the fiscal year ended December 31, 2005 on March 2, 2006.

In June 2005, the Company granted 4,500 shares of Restricted Stock under the Plan to V. William Hunt, in recognition of Mr. Hunt's outstanding service to the Company in the immediately preceding months.

In 2004, the Board of Directors of the Company, upon the recommendation of the Corporate Governance and Nominating Committee, amended the "Required Share Condition" under the Company's Corporate Governance Principles, and thereby the Director Stock Compensation Plan, to increase the percentage of annual board compensation an Independent Director must receive in restricted stock, subject to the exceptions set forth below, from 30% to 50%. Under the Director Stock Compensation Plan, cash retainers are subject to the Required Share Condition and required to be received in the form of restricted shares of the Company's Common Stock unless the director to receive the retainer has holdings of Company Common Stock that meet the "Threshold Amount" as defined in the Director Stock Compensation Plan, in which case the director can elect to receive the additional compensation in cash or a combination of cash and restricted shares of the Company's Common Stock.

2006 BOARD COMPENSATION

The Board compensation for 2006 will remain the same as the Board compensation for 2005, with the exception that the fee paid to the Compensation and Human Resources Committee chairperson will be increased from \$20,000 to \$30,000 for services rendered in that role.

EXECUTIVE OFFICER EMPLOYMENT AND SEVERANCE AGREEMENTS

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

o AMENDMENTS TO EMPLOYMENT AND SEVERANCE AGREEMENTS

The employment agreements in effect as of December 31, 2005 for Messrs. Laikin, Howell and Fivel are described below in the section entitled "Employment and Severance Agreements." These agreements were amended on April 7, 2005 in connection with changes to the employment and compensation arrangements for these executives; these changes establish retention incentives and limit the amount of severance pay the individuals may receive.

On April 7, 2005, we entered into amendments to the employment agreements for Messrs. Laikin, Howell and Fivel. Pursuant to these amendments we codified the previously agreed 2005 annual base compensation for Mr. Laikin (\$705,000), Mr. Howell (\$420,000) and Mr. Fivel (\$350,000). In addition, severance and change of control caps ("Severance Caps") were implemented with respect to the total value of the severance payments due upon the occurrence of a Change of Control (as defined below in "Employment and Severance Agreements"), or if (i) in breach of the applicable employment agreement, we terminate the employee's employment other than for disability or Cause, or (ii) the

-19-

employee terminates his employment for Good Reason. Any accelerated vesting of annual equity awards upon a Change of Control will also count toward, and be subject to, the Severance Cap (the total of the severance payments and accelerated vesting the "Severance Total"). The amendments specifically exclude from the Severance Cap calculation any accelerated vesting of the 450,000, 225,000 and 112,500 shares of restricted stock granted to Messrs. Laikin, Howell and Fivel, respectively on April 7, 2005. Pursuant to the Severance Caps, the Severance Total may not exceed \$9 million for Mr. Laikin, \$4.5 million for Mr. Howell and \$2.25 million for Mr. Fivel. Any gross-up payment designed to cover extra income or excise taxes owed by the employee if the severance payments or benefits paid are deemed to constitute "parachute payments" as defined in Section 280G(b)(2) of the Internal Revenue Code of 1986, and any acceleration of the restricted stock granted to the employees on April 7, 2005, will not count toward or be subject to the Severance Cap. Other than as set forth above, the employment agreements for Messrs. Laikin, Howell and Fivel, remained the same as they were as of December 31, 2004, and are described below in the section entitled "Employment and Severance Agreements".

In addition, on April 7, 2005, we entered into Supplemental Retirement Benefit Agreements ("Retirement Agreements") with each of Messrs. Laikin, Howell and Fivel and on January 19, 2006, the Company Amended and Restated these Retirement Agreements effective as of April 7, 2005. The Amended and Restated Retirement Agreements provide that we will implement a supplemental retirement benefit providing each executive with an additional payment. However, instead of being paid in the form of a single life annuity for the Executive's lifetime, the payments under the Amended and Restated Retirement Agreements will be made on an annual basis beginning at the Payment Start Date for a period of ten years or until the Executive's death, if earlier. If the executive's employment is terminated other than for cause, the Company shall pay the benefit beginning on the earlier of the Date of Termination as set forth in the Executive's respective Employment Agreement or Mr. Laikin's reaching age 50, Mr. Howell reaching age 53 or Mr. Fivel reaching age 55. The benefit is an annual payment equal to a certain percentage of average base salary and bonus based on the Executive's final five years of work, with such percentage not to be greater than 50%, but the Amended and Restated Retirement Agreements include caps on the

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

amount of the annual benefits payable ("Cap Amount"). Such payments shall be paid for a ten-year period or, if earlier, through the date of the Executive's death. If the executive is terminated for cause, then the benefit would not commence until age 62.

Assuming annual salary increases of 5% per year, the anticipated payments pursuant to the Amended and Restated Retirement Agreements would reach the Cap Amount and would be approximately \$500,000 per year to Mr. Laikin commencing at age 50, \$344,000 per year to Mr. Howell commencing upon age 53 and \$229,000 per year to Mr. Fivel commencing upon age 55. Payment under the Retirement Agreements is contingent upon termination of service.

o EMPLOYMENT AND SEVERANCE AGREEMENTS

We have entered into five-year "evergreen" employment agreements with each of Messrs. Laikin and Howell, which are automatically renewable for successive one-year periods and provide for an annual base compensation in 2006 of \$750,000 and \$455,000 respectively, and such bonuses as the Board of Directors may from time to time determine. If we provide the employee with notice that we desire to terminate the agreement or terminate the agreement without cause, there is a final five-year term commencing on the date of such notice. The employment agreements provide for employment on a full-time basis and contain a provision that the employee will not compete or engage in a business competitive with our business during the term of the employment agreement and for a period of two years thereafter. The employment agreements also provide that, subject to the Severance Caps described in "Amendments to Employment and Severance Agreements", if the employee's employment

-20-

is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by us other than for disability or Cause, as defined, the employee will be entitled to receive severance pay equal to the highest of (a) \$2,250,000 for Mr. Laikin and \$1,625,000 for Mr. Howell or (b) five times the total compensation (including salary, bonus and the value of all perquisites) received from us during the twelve months prior to the date of termination. If after or as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by us other than for disability or Cause, the employee will be entitled to receive severance pay equal to ten times the total compensation (including salary, bonus, the value of all perquisites and the value of all stock options granted to the employee) received from us during the twelve months prior to the date of termination. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, we terminate the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable. For purposes of such agreements, a "change of control" shall be deemed to occur, unless previously consented to in writing by the respective employee, upon (i) individuals who constituted our then current Board of Directors ceasing to constitute a majority of the Board of Directors, (ii) subject to certain specified exceptions, the acquisition of beneficial ownership of 15% or more of our voting securities by any person or entity not affiliated with the respective employee or us, (iii) the commencement of a proxy contest against management for the election of a majority of our Board of Directors if the group conducting the proxy contest owns, has or gains the power to vote at least 15% of our voting securities, (iv) the consummation under certain conditions by us of a reorganization, merger or consolidation or

sale of all or substantially all of our assets to any person or entity not affiliated with the respective employee or us, or (v) our complete liquidation or dissolution.

In addition, we have entered into a three-year "evergreen" employment agreement with Mr. Fivel, which is automatically renewable for successive one-year periods and provides for an annual base compensation in 2006 of \$360,000, and such bonuses as the Board of Directors may from time to time determine. If we provide the employee with notice that we desire to terminate the agreement without Cause, there is a final three-year term commencing on the date of such notice. The employment agreement provides otherwise for substantially the same terms as the employment agreements described above, except that, subject to the Severance Cap described in "Amendments to Employment and Severance Agreements", if the employee's employment is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by us other than for disability or Cause, as defined, the employee will be entitled to receive the highest of (a) \$825,000 or (b) three times the total compensation (including salary, bonus and the value of all perquisites) received from us during the twelve months prior to the date of termination. If after or as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by us other than for disability or Cause, the employee will be entitled to receive severance pay equal to six times the compensation (including, salary, bonus, and the value of all perquisites and the value of all stock options granted to the employee) received or earned from us during the twelve months prior to the date of termination. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, we terminate the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable.

We have also entered into a three-year "evergreen" employment agreement with Mr. Boor which is automatically renewable for successive one-year periods and provides for an annual base compensation in 2006 of \$325,000 and such bonuses as the Board of Directors or the Compensation

and Human Resources Committee of the Board of Directors may from time to time determine. The employment agreement provides for employment on a full-time basis and contains a provision that the employee will not compete or engage in a business competitive with the Registrant's business during the term of the employment agreement and for a period of two years thereafter. The employment agreement also provides that if the employee's employment is terminated by the employee, without Good Reason, as defined, within 12 months after a "change of control," or if prior to and not as a result of a change of control, the employee's employment is terminated either by the employee for Good Reason or by the Registrant other than for disability or Cause, as defined, the employee will be entitled to receive severance pay equal to 2.99 times his annual base compensation (excluding any bonus and the value of all perquisites) received from the Registrant during the twelve months prior to the date of termination. For purposes of such agreement, a "change of control" shall be deemed to occur, unless previously consented to in writing by the employee, upon (i) individuals who constituted the Registrant's then current Board of Directors ceasing to constitute a majority of the Board of Directors, (ii) subject to certain specified exceptions, the acquisition of beneficial ownership of 15% or more of

the Registrant's voting securities by any person or entity not affiliated with the employee or the Registrant, (iii) the commencement of a proxy contest against management for the election of a majority of the Registrant's Board of Directors if the group conducting the proxy contest owns, has or gains the power to vote at least 15% of the Registrant's voting securities, (iv) the consummation under certain conditions by the Registrant of a reorganization, merger or consolidation or sale of all or substantially all of its assets to any person or entity not affiliated with the employee or the Registrant, or (v) the Registrant's complete liquidation or dissolution. In addition, (a) upon the occurrence of a change of control, (b) if in breach of the agreement, the Registrant terminates the employee's employment other than for disability or Cause, or (c) if the employee terminates his employment for Good Reason at any time, the vesting of all options granted to the employee will be accelerated so that the options become immediately exercisable.

We entered into a Separation and General Release Agreement (the "Separation Agreement") as of June 30, 2005 with Frank Terence, our former Executive Vice President, Chief Financial Officer and Treasurer, after Mr. Terence's resignation. This Separation Agreement, results in the termination of Mr. Terence's Employment Agreement with us. Under the terms of the Separation Agreement, we will retain Mr. Terence in our employ, with disability status, through April 22, 2006 (the "Separation Date"). In addition, the Separation Agreement provides that Mr. Terence will receive \$1,000 per month through the Separation Date and a one-time payment of \$275,333. Mr. Terence's options and restricted stock unit awards will continue to vest through the Separation Date and be exercisable in accordance with the terms of the plans under which they were granted and the terms of his respective option and restricted stock unit agreements. The Separation Agreement contains the same confidentiality and non-disclosure provisions as his Employment Agreement, but does not contain non-competition or non-solicitation provisions.

We entered into a Separation and General Release Agreement (the "Separation Agreement") as of June 3, 2005 with Lisa Kelley, our former Senior Vice President, Chief Accounting Officer, Controller, after Ms. Kelley's resignation. This Separation Agreement resulted in the termination of Ms. Kelley's Employment Agreement with us. Under the terms of the Separation Agreement, Ms. Kelley was relieved of all regular duties and responsibilities after June 3, 2005. In addition, Ms. Kelley received a one-time separation payment in the amount of \$112,500.

We have entered into a letter agreement with Mr. Donargo pursuant to which he will receive an annual base salary of \$180,000. In addition to his base salary, in 2006, Mr. Donargo will be eligible to

participate in the Company's Executive Bonus Plan, through which he will be eligible to receive a bonus of up to 50% of his base salary. Mr. Donargo will be eligible for coverage under the benefit plans provided to employees, such as medical, dental and life insurance and will be permitted to participate in the Company's 401(k) Plan. Mr. Donargo also received a grant of 7,500 options to purchase Common stock on September 19, 2005.

EXECUTIVE EQUITY PROGRAM AND BONUS PLANS

2005:

In connection with its administration of the Company's 2004 Long-Term

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

Incentive Plan (the "Plan"), and in furtherance of the goals of the Plan, the Compensation and Human Resources Committee adopted a program (the "2005 Executive Equity Program") pursuant to which, on February 18, 2005, the Company's executive officers, including its Chief Executive Officer, were granted performance based restricted stock units and stock options. The Company's performance as measured against certain previously approved performance goals resulted in the satisfaction of 65% of the performance requirements and the corresponding percentage of grants made pursuant to the Executive Equity Program were earned. Those RSUs and options no longer subject to forfeiture for performance vest in three equal annual installments beginning with February 18, 2006, the first anniversary of the grant, subject to, and in accordance with the Plan and the option and RSU agreements entered into between the Company and the grantee.

The Committee established a 2005 cash award bonus program for executive officers, which was based upon certain pre-established performance targets for: (i) income from continuing operations, (ii) return on investment capital, and (iii) certain strategic objectives approved by the Committee. If all of these targets were reached, Mr. Laikin, the Chief Executive Officer was entitled to receive a cash bonus equal to 100% of his base salary and each of the executive officers and certain key employees were entitled to receive a cash bonus equal to 50% of their respective base salaries as a bonus. Based upon the Company's performance against these previously approved performance goals, the Committee determined that 65% of the performance objectives were earned and each Executive was eligible to receive the corresponding percentage of his or her target bonus potential. In addition, the Committee, exercised its discretion to approve discretionary bonuses for the Chief Executive Officer, certain other executives and key employees.

2006:

In connection with its administration of the Plan, pursuant to the Plan, and in furtherance of the goals of the Plan, the Compensation and Human Resources Committee adopted a program (the "2006 Executive Equity Program") pursuant to which, on February 6, 2006, the Company's executive officers, including its Chief Executive Officer, were granted performance based restricted stock units. The Plan grants made pursuant to the 2006 Executive Equity Program are subject to forfeiture, in whole or in part, prior to the first anniversary of the grant if the Company does not achieve certain pre-established performance goals for (i) income from continuing operations (up to 50%) (ii) certain strategic objectives approved by the Committee (up to 50%). If any or all of the performance goals are not achieved, then the corresponding percentage of the RSUs granted will be forfeited. Those RSUs no longer subject to forfeiture vest in three equal annual installments beginning with the first anniversary of the grant, subject to, and in accordance with the Plan and the RSU agreements entered into between the Company and the grantee.

-23-

The Compensation and Human Resources Committee has established a 2006 cash award bonus program for the Company's executive officers, including its Chief Executive Officer, which is based upon certain pre-established performance goals for: (i) income from continuing operations (up to 50%) and (ii) certain strategic objectives approved by the Committee (up to 50%). If all of these targets are reached, Mr. Laikin, the Company's Chief Executive Officer, will receive a cash bonus up to 100% of his base salary and each of the other executive officers will receive a cash bonus up to 50% of their respective base salaries as a bonus. If only certain of the targets are reached then the executive officers, including the Chief Executive Officer, would be entitled to

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

receive the corresponding percentage of their potential bonus under the program. The Compensation and Human Resources Committee retains discretion to increase an award based on individual and Company performance.

REPORT OF THE COMPENSATION AND HUMAN RESOURCES COMMITTEE OF THE BOARD OF DIRECTORS ON EXECUTIVE COMPENSATION

The Compensation and Human Resources Committee (the "Committee"), subject to the approval of the Board of Directors, determines the compensation of the Company's executive officers, including the Chief Executive Officer, and oversees the administration of all executive compensation programs. As noted above, the compensation policy of the Company is determined by the Compensation and Human Resources Committee, which periodically reviews trends in compensation practices. The executive compensation policy for the Company was reviewed and approved during 2005 as follows:

Brightpoint offers executive compensation programs that align individuals' financial incentives with our strategic direction and corporate values. Our programs are designed to attract and retain key talent needed to grow and manage our business and enhance shareholder value. Our executive compensation program includes cash (base pay and short term incentive) and non-cash (equity) components. These programs aim to provide our executives with:

- o Base pay in the aggregate at the median of the relevant external market comparator group,
- o An opportunity for total cash to significantly exceed the market median when exceptional individual and business performance is achieved, and
- o Equity to ensure alignment of individual performance with long term shareholder value and business objectives.

To put this policy into practice, the Committee reviews total compensation survey data provided by independent consultants. In 2005 the Committee updated the external comparator data in order to focus on those companies which either participate in the Company's industry, or operate in a related industry and are of a comparable size and scope of operations. The Committee has reviewed all components of compensation of the Company's executives, including that of the Chief Executive Officer, and conducted all of its deliberations and made its determinations directly in keeping with both our stated compensation policy as above and with this external comparator data.

Base Salary. The base salaries of the Company's executives, including the Chief Executive Officer, are determined taking into account the median of the comparator data set which reflects the external labor market for comparable positions, and by relative individual job performance. An executive's salary will also vary within this framework based on responsibilities, experience, and leadership behaviors. A relatively greater emphasis is placed on the variable (short and long term

-24-

incentive) components of compensation so as to put a greater portion of total pay "at risk" based on Company and individual performance. Fiscal 2005 and previous base salary data for the Company's Named Executives is shown in the "Summary Compensation Table" on page 14.

Short Term Incentives - Bonuses. Bonuses for the Company's executive

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

officers, including the Chief Executive Officer, in 2005 were awarded based on predetermined targets and metrics related to the Company's income from continuing operations, return on invested capital, and key strategic objectives. In addition, the Committee awarded to the executive officers, including the Chief Executive Officer, additional ("Discretionary") bonuses based on the Company's performance. The 2005 Discretionary bonuses were paid based on individual and Company performance. The total bonuses awarded to the Company's executive officers with respect to fiscal 2005 are set forth in the "Summary Compensation Table" on page 14.

In connection with the restatement of the Company's financial statements as of and for the year ended December 31, 2004, the Named Executives, on their own initiative, returned a portion of the 2004 bonuses previously paid to them in the aggregate amount of \$1,013,400 as a result of certain financial targets relating to the 2004 bonus plan no longer having been met based upon the restated financial results.

Long Term Incentives - Equity (Stock Options and Restricted Stock). These equity awards under the Company's Long-Term Incentive Plan or other stock option plans are intended to align the interests of the executives with those of the Company's shareholders. The size and grant of actual awards during 2005 was determined by the Compensation and Human Resources Committee, taking into account Company performance and total compensation comparator data using the data set referred to above. The current share ownership for all executive officers is shown in "Voting Security Ownership of Certain Beneficial Owners and Management" on page 28.

The comparison assumes \$100 was invested on December 31, 2000 in the Company's Common Stock and in each of the foregoing indices and assumes reinvestment of all cash dividends, if any, paid on such securities. The Company has not paid any cash dividends and, therefore, the cumulative total return calculation for the Company is based solely upon share price appreciation and not upon reinvestment of cash dividends. Historical share price is not necessarily indicative of future stock price performance.

We utilize the services of a third party for the purchase of corporate gifts, promotional items and standard personalized stationery. Mrs. Judy Laikin, the mother of Robert J. Laikin, our Chief Executive Officer, was the owner of this third party until June 1, 2000 and is currently an independent consultant to this third party. We purchased approximately \$108,298 and \$86,052 of services and products from this third party during 2005 and 2004, respectively. These purchases were subject to review and authorization by the audit committee; and we believe that these purchases were made on terms no less favorable to us than we could have obtained from an unrelated party.

During the fiscal years ended December 31, 2005 and 2004, we paid to an insurance brokerage firm, for which the father of Robert J. Laikin acts as an independent insurance broker, \$205,000 each year in service fees. In addition, we pay certain insurance premiums to the insurance brokerage firms, which premiums were forwarded to our respective insurance carriers. These purchases were subject to review and authorization by the audit committee; and we believe these services were purchased on terms no less favorable to us than we could have obtained from an unrelated party.

We utilize the services of a third-party staffing agency for our temporary labor needs. This third-party staffing agency is owned in part by the brother-in-law of the Company's Chief Financial Officer, Anthony W. Boor. We

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

paid approximately \$6,595,081 and \$2,356,008 to this staffing agency during 2005 and 2004. We made no payments to this staffing agency during 2003. These purchases were subject to review and authorization by the audit committee; and we believe such payments were made on terms no less favorable to us than we could have obtained from an unrelated party. During February 2006, this staffing agency was sold by its former owners to an unrelated third-party.

Our Articles of Incorporation and By-Laws provide that we indemnify our officers and directors to the extent permitted by law. In connection therewith, we entered into indemnification agreements with our executive officers and directors. In accordance with the terms of these agreements we have reimbursed certain of our former executive officers and intend to reimburse our officers and directors for their legal fees and expenses incurred in connection with certain pending litigation and regulatory matters. We did not make any such reimbursement payments during 2005.

PROPOSAL II -

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company has engaged Ernst & Young LLP ("E&Y") as its independent registered public accounting firm since October 1994. In connection with the audit of the 2005 financial statements, the Company entered into an engagement agreement with E&Y that set forth the terms by which E&Y will perform audit services for the Company. That agreement is subject to alternative dispute resolution procedures and an exclusion of punitive damages. E&Y reported on the financial statements of the Company for the fiscal year ended December 31, 2005 and the Audit Committee of the Board of Directors has appointed E&Y to audit and report on the financial statements of the Company for the year ending December 31, 2006. Although shareholder approval of the appointment of E&Y is not required by law, the Board of Directors believes that it is advisable to give shareholders an opportunity to ratify this appointment. Furthermore, although the appointment of E&Y is being submitted for

-32-

shareholder ratification, the Audit Committee reserves the right, even after ratification by shareholders, to change the appointment of E&Y as auditors, at any time during the 2006 fiscal year, if it deems such change to be in the best interests of the Company. Representatives of E&Y will be present at the Annual Meeting.

Audit Fees. The aggregate fees for professional services rendered by E&Y for the audit of the Company's annual financial statements for the years ended December 31, 2005 and 2004, the review of the financial statements included in the Company's Forms 10-Q for 2005 and 2004, audit of internal control over financial reporting and statutory audits of foreign subsidiaries totaled \$1,733,288 and \$1,510,603, respectively.

Audit-Related Fees. The aggregate fees for assurance and related services by E&Y that are related to the performance of the audit or review of the Company's financial statements, for the years ended December 31, 2005 and 2004, and that are not disclosed in the paragraph captioned "Audit Fees" above, were \$15,000 and \$155,499, respectively. The services performed by E&Y in connection with these fees consisted of employee benefit plan audits and internal controls consultation.

Tax Fees. The aggregate fees for professional services rendered by E&Y

Edgar Filing: BRIGHTPOINT INC - Form DEF 14A

for tax compliance, for the years ended December 31, 2005 and 2004, were \$262,307 and \$287,223, respectively. The aggregate fees billed by E&Y for professional services rendered for tax advice and tax planning, for the years ended December 31, 2005 and 2004, were \$70,604 and \$127,343, respectively. The services performed by E&Y in connection with these advisory and planning fees consisted of the following: tax audits and consultation regarding various tax issues.

All Other Fees. There were no fees for products and services by E&Y, other than the services described in the paragraphs captioned "Audit Fees," "Audit-Related Fees," and "Tax Fees" above for the years ended December 31, 2005 and 2004.

The Audit Committee has established its pre-approval policies and procedures, pursuant to which the Audit Committee approved the foregoing audit and permissible non-audit services provided by E&Y in 2005. The Audit Committee's pre-approval policy is as follows: Consistent with the Audit Committee's responsibility for engaging our independent auditors, all audit and permitted non-audit services require pre-approval by the Audit Committee. All requests or applications for services to be provided by the independent registered public accounting firm that do not require specific approval by the Audit Committee will be submitted to the Chief Financial Officer and must include a detailed description of the services to be rendered. The Chief Financial Officer will determine whether such services are included within the list of services that have received the general pre-approval of the Audit Committee. The Audit Committee will be informed on a timely basis of any such services rendered by the independent auditor. Request or applications to provide services that require specific approval by the Audit Committee will be submitted to the Audit Committee by both the independent auditor and the Chief Financial Officer, and must include a joint statement as to whether, in their view, the request or application is consistent with the Securities and Exchange Commission's rules on auditor independence. The Audit Committee has designated the Vice President of Internal Audit to monitor the performance of all services provided by the independent auditor and to determine whether such services are in compliance with this policy. The Vice President of Internal Audit will report to the Audit Committee on a periodic basis on the results of its monitoring. The Vice President of Internal Audit and management will immediately report to the chairman of the Audit Committee any breach of this policy that comes to the attention of the Vice President of Internal Audit or any member of management. The

-33-

Audit Committee will also review the internal auditor's annual internal audit plan to determine that the plan provides for the monitoring of the independent auditor's services. Pursuant to these procedures the Audit Committee approved the foregoing audit and permissible non-audit services provided by E&Y in 2005.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2006.
