The spin-off will be accomplished through a special dividend of all outstanding shares of Patriot to be issued to Peabody shareholders.

Peabody estimates that it will incur transaction costs in connection with the spin-off. Peabody has determined that at the time of this filing, it is unable in good faith to make a determination of the estimates required by paragraphs (b), (c), and (d) of Item 2.05 of the Form 8-K General Instructions. Peabody will file an amended report on Form 8-K within four business days of making a determination of the required estimates.

A copy of the press release relating to our announcement of the record date and expected distribution date for the spin-off is attached to this Current Report on Form 8-K as Exhibit 99.1.

Amendments to Peabody benefit plans

The Board of Directors of Peabody approved amendments on October 10, 2007 (the Amendments) to the following three Peabody plans: (1) the Peabody 2004 Long-Term Equity Incentive Plan (the 2004 Plan); (2) the Peabody 2001 Long-Term Equity Incentive Plan (the 2001 Plan); and (3) the 1998 Stock Purchase and Option Plan for Key Employees of P&L Coal Holdings Corporation (the 1998 Plan and, collectively with the 2001 Plan and the 2004 Plan, the Plans).

The Plans, each of which authorizes the award of shares of Peabody common stock to Peabody employees, were amended to define the fair market value of Peabody s common stock and prohibit granting any stock options or stock appreciation rights under the Plans that have an exercise price that is below the fair market value of the underlying Peabody stock on the date of grant, as required to comply with final regulations promulgated under Section 409A of the Internal Revenue Code of 1986, as amended.

In addition, each of the Plans was amended with respect to certain awards held by Peabody employees who transfer directly to employment with Patriot following the spin-off of Patriot from Peabody (the Patriot Employees). The Plans were each amended to provide that the Patriot Employees employment with Patriot following the spin-off will be treated as employment with Peabody for purposes of vesting and retirement eligibility with respect to awards under the Plans. For Patriot Employees who become Patriot senior management employees following the spin-off (excluding the Executive Advisor of Patriot), the Amendments provide that, (i) with respect to awards granted to such employees prior to 2006 under a Plan that are scheduled to vest on or before January 3, 2008, such employees employment periods with Patriot will be treated as employment with Peabody for purposes of vesting and retirement eligibility under such awards, and (ii) with respect to awards granted to such employees prior to 2006 under a Plan that are scheduled to vest after January 3, 2008, such awards shall vest as of the effective date of the spin-off (and awards that are stock options shall cease to be exercisable and shall expire on July 3, 2008). All awards granted under the Plans held by Patriot Employees shall be immediately vested upon a Change in Control of Patriot, as defined in the Amendments.

The above descriptions of the Amendments to the Plans and the ESPP are qualified in their entirety by reference to the texts of the Amendments, which are attached as Exhibits 10.1, 10.2, 10.3, 10.4 and 10.5 hereto and incorporated herein by reference.
