Item 2.02 Results of Operations and Financial Condition

On February 1, 2007, Landstar System, Inc. issued a press release announcing results for the fourth quarter of fiscal 2006. A copy of the press release is attached hereto as Exhibit 99.1.

In the press release attached hereto as Exhibit 99.1, Landstar provided the following information that may be deemed a non-GAAP financial measure: with respect to the fiscal periods ended December 30, 2006 and December 31, 2005, revenue per load for the global logistics segment, excluding revenue and loads related to emergency transportation services provided primarily under a contract between Landstar Express America, Inc. and the United States Department of Transportation/Federal Aviation Administration (the FAA Contract ).

The foregoing financial measure should be considered in addition to, and not as a substitute for, the corresponding GAAP financial information also presented in the press release.

Management believes that it is appropriate to present this financial information for the following reasons:

(1) disclosure of these matters will allow investors to better understand the underlying trends in Landstar's financial condition and results of operations; (2) this information will facilitate comparisons by investors of Landstar's results as compared to the results of peer companies; (3) a significant portion of the emergency transportation services previously provided under the FAA Contract were provided on the basis of a daily rate for the use of transportation equipment in question, and therefore load and per load information is not necessarily available or appropriate for a significant portion of the related revenue; and (4) management considers this financial information in its decision making.

The information furnished under Item 2.02 of this Current Report on Form 8-K, including Exhibit 99.1 hereto, shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933.
