**Item 8.01 Other Events.**

Harris Corporation (the Company) is filing this Current Report on Form 8-K to update its historical business segment information contained in the Company's Annual Report on Form 10-K for the fiscal year ended June 29, 2007 (Fiscal 2007 Form 10-K), to reflect a change in organizational structure and segment reporting effective for fiscal year 2008. As previously disclosed, effective for fiscal 2008 (which began June 30, 2007), the Company changed its segment reporting for its government businesses to reflect the way the Company now manages those businesses. For fiscal 2008, the Company's Defense Programs area, which was part of the Government Communications Systems segment for fiscal 2007, has been combined with the Company's RF Communications business, to form the Defense Communications and Electronics segment. The Government Communications Systems segment will continue to include the National Intelligence Programs, Civil Programs and Information Technology Services Programs areas. The Broadcast Communications and Harris Stratex Networks segments have not been changed. The Company now operates in, and will report financial information for, the following four business segments: (1) Defense Communications and Electronics, (2) Government Communications Systems, (3) Broadcast Communications, and (4) Harris Stratex Networks.

In Exhibit 99 filed with this Current Report on Form 8-K and incorporated herein by reference, the Company has updated the following Items that were contained in the Fiscal 2007 Form 10-K to reflect the change in segment reporting: Item 1. Business, Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operation and Item 8. Financial Statements and Supplementary Data. The historical financial information in Item 8. Financial Statements and Supplementary Data has been updated from its previous presentation solely to reflect the Company's new operating segment structure in Note 1: Significant Accounting Policies, Note 8: Goodwill, Note 19: Derivative Instruments and Hedging Activity and Note 23: Business Segments. There is no impact on the Company's previously reported consolidated statements of income, balance sheets, statements of cash flows or statements of comprehensive income and shareholders' equity, and the previously reported consolidated financial statements have not been updated to reflect any financial results or other changes subsequent to fiscal 2007 (which ended June 29, 2007). All other information in the Fiscal 2007 Form 10-K remains unchanged and has not been otherwise updated for events or development that occurred subsequent to the filing of the Fiscal 2007 Form 10-K with the Securities and Exchange Commission. For developments since the filing of the Fiscal 2007 Form 10-K, refer to the Company's Quarterly Report on Form 10-Q for the period ending September 28, 2007, which Quarterly Report on Form 10-Q also reflects the Company's current reportable operating segments.

By filing this Current Report on Form 8-K, the Company will be able to incorporate the updated information by reference into filings with the Securities and Exchange Commission, including registration statements filed under the Securities Act of 1933, as amended. The information in this Current Report on Form 8-K, including Exhibit 99, should be read in conjunction with the Fiscal 2007 Form 10-K, which was filed with the Securities and Exchange Commission on August 27, 2007.
