The Reporting Person has not, during the last five years, been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors), and has not been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to those laws.

**Item 3. Source and Amount of Funds or Other Consideration**

In May 2007, in connection with the formation of Cardo Medical, the Reporting Person made a cash contribution to Cardo Medical in the amount of \$1,303,333 from personal funds, pursuant to the Limited Liability Company Agreement of Cardo Medical, in exchange for a 46.3% interest in Cardo Medical, corresponding to 92.66 units of membership interests. As previously disclosed in the Issuer's Current Report on Form 8-K filed with the Securities and Exchange Commission on June 23, 2008 (the **June Form 8-K**), on or about the signing of the Merger Agreement (as defined below), Frost Gamma Investments Trust and other investors invested \$12.975 million in Cardo Medical in exchange for units of Cardo Medical's membership interests. Page 4 of 6

As previously disclosed in the June Form 8-K, on or about the signing of the Merger Agreement, Frost Gamma Investments Trust and other investors invested \$12.975 million in Cardo Medical in exchange for units of Cardo Medical's membership interests. Cardo Medical used approximately \$9.7 million of the proceeds from these investments to close on the acquisition of the outstanding equity interests of three partially owned subsidiaries of Cardo Medical (Accelerated Innovation, LLC, Cervical Xpand, LLC and Uni-Knee, LLC), to repay an existing member loan (in the amount of \$1.2 million) and for transaction expenses, and expects to use the remaining funds to accelerate its research and product development.

Under the terms of the Merger Agreement, at the closing of the Merger, each Cardo Medical unit issued and outstanding was converted into and exchanged for the right to receive 667,204.70995 shares of Common Stock. As a result of the Merger, the Issuer's shareholders and optionholders own approximately 5.5% of the combined company on a fully diluted basis (or 11,298,979 shares of Common Stock outstanding and underlying options), the members of Cardo Medical (which includes the Reporting Person), excluding the new investors, own approximately 64.8% of the combined company on a fully diluted basis (or 133,440,942 shares of Common Stock), the new investors own approximately 28.5% of the combined company on a fully diluted basis (or 58,641,701 shares of Common Stock), and optionholders of Cardo Medical own approximately 1.2% of the combined company on a fully diluted basis (or 2,398,400 shares of Common Stock underlying those options).

In connection with the consummation of the Merger, the Issuer will propose to its shareholders an amendment to its Certificate of Incorporation to change its name from clickNsettle.com, Inc. to Cardo Medical, Inc. The Issuer's trading symbol is CKST.OB, which the Issuer expects to change in connection with the name change. The Issuer intends to apply to have its shares listed on the American Stock Exchange.

In addition, 10 days after filing and transmitting an Information Statement to the Issuer's shareholders (approximately September 18, 2008) pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended, and Rule 14f-1 thereunder (the **Information Statement**), the Board of Directors of Cardo Medical initially will consist of five directors appointed by the Reporting Person and two directors appointed by Phillip Frost, M.D. The Reporting Person, an orthopedic surgeon, will serve as Chief Executive Officer of the combined company and as its Chairman of the Board 10 days after the Issuer files the Information Statement and transmits it to its shareholders.

Except to the extent the foregoing disclosure set forth in this Item 4 may be deemed a plan or proposal, the Reporting Person does not have any plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j), inclusive, of Item 4 of Schedule 13D. The Reporting Person may, at any time and from time to time, review or reconsider his position and/or change their purpose and/or formulate plans or proposals with respect thereto.

**Item 5. Interest in Securities of the Issuer**

- (a), (b) As of the date of the filing of this statement, the Reporting Person beneficially owns 61,823,189 shares of Common Stock, which is approximately 30.4% of the Common Stock believed to be outstanding. The Reporting Person has sole voting and dispositive power with respect to these shares. The percentage indicated in this Item 5 is based on 203,360,222 total shares outstanding of Common Stock as of September 8, 2008.
- (c) The Reporting Person's responses to Items 3 and 4 to this statement are hereby incorporated by reference in this Item 5.
- (d), (e) None.

**SCHEDULE 13D**

**Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer**

As security for the customary indemnification obligations of Cardo Medical to the Issuer, 10.0% of the Issuer's shares issued in connection with the Merger to the historical members of Cardo Medical (*i.e.*, the members of Cardo Medical (including the Reporting Person) prior to the admission of the new investors) will be held in escrow by a third-party escrow agent pursuant to an Escrow Agreement until August 28, 2009, which shares will thereafter be released except with respect to a number of escrowed shares as determined by the Issuer's Board of Directors to be necessary to satisfy any unresolved claim until the claim is fully and finally resolved. Of the shares of Common Stock held by the Reporting Person, 6,182,319 will be held in escrow pursuant to the Escrow Agreement.

In connection with the Merger, the officers and directors of the combined company and certain of their family members, as well as each Cardo Medical member owning 5% or more of the outstanding capital stock of the Issuer, including the Reporting Person and his family members, entered into lockup agreements. Each lockup agreement provides that the shares of Common Stock issued in the Merger may not be, directly or indirectly, sold for a period of two years following completion of the Merger. All of the shares of Common Stock beneficially owned by the Reporting Person as reported in this statement are subject to the lockup agreement.

The summary discussion of material terms of the Merger Agreement set forth in this statement is qualified by reference to the Merger Agreement and its amendment, copies of which are attached as Exhibit 2.1 to the June Form 8-K and Exhibit 2.2 to the Issuer's Current Report on Form 8-K filed on September 8, 2008 (the **September Form 8-K**) and are incorporated herein by reference. The summary discussion of material terms of the Escrow Agreement and the Lockup Agreements set forth above is qualified by reference to those agreements, copies of which are attached as Exhibits 10.1 and 10.2, respectively, to the September Form 8-K and are incorporated herein by reference.

Other than as set forth in Items 4 and 5 and in this Item 6, the Reporting Person does not have any other contracts, arrangements, understandings or relationships that are required to be reported by Item 6 of Schedule 13D.
