On May 12, 2008, Middlefield Banc Corp. s ( Middlefield ) Board of Directors authorized the repurchase of up to 4.99% of Middlefield s outstanding common stock in open market or private transactions from time to time. The repurchase program will depend on market conditions. Accordingly, there is no guarantee of the exact number of shares that may be repurchased. The repurchases generally will be effected through open market purchases or in privately negotiated transactions. The repurchased shares will become treasury shares available for general corporate purposes. Middlefield currently has approximately 1,541,807 shares outstanding.

The repurchase program will expire in May, 2009. The Board of Directors approval of the repurchase program took into account current economic and market factors, alternate investment strategies, and the strong capital position of Middlefield and its banking subsidiaries, The Middlefield Banking Company and Emerald Bank. Middlefield s most recent share repurchase program expired in April, 2008.
