Item 2.02. Results of Operations and Financial Condition.

On August 14, 2008, IGI, Inc. (the "Company") issued a press release announcing the Company's earnings for the second quarter ended June 30, 2008 and certain other information. A copy of the press release is attached hereto as Exhibit 99.1 The press release is being furnished and shall not be deemed to be filed.

As mentioned in the attached press release, the Company has two new pharmaceutical customers for whom it will begin manufacturing product for in the fourth quarter of 2008. The Company expects revenue from these two new customers in the next six months to equal approximately \$500,000.

This Current Report on Form 8-K includes certain "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements include, but are not limited to, plans, objectives, expectations and intentions and other statements contained in this Current Report on Form 8-K that are not historical facts and statements identified by words such as "will," and "expects." These statements may contain, among other things, guidance as to future revenue and earnings, including revenues from current or future customers, operations, prospects of the business generally, intellectual property and the development of products. These statements are based on our current beliefs or expectations and are inherently subject to various risks and uncertainties, including those set forth under the caption "Risk Factors" in the Company's most recent Annual Report on Form 10-KSB as filed with the Securities and Exchange Commission and as revised or supplemented by the Company's quarterly reports on Form 10-Q. Actual results may differ materially from these expectations due to changes in global political, economic, business, competitive, market and regulatory factors or the Company's ability to implement business strategies. The Company does not undertake any obligation to update any forward-looking statements contained in this document as a result of new information, future events or otherwise.
