ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On December 22, 2006, Citizens Communications Company (the “Company”) completed its previously announced offering of \$400 million aggregate principal amount of 7.875% senior unsecured notes due 2027. The notes were offered to investors in a private placement in reliance on Rule 144A under the Securities Act of 1933 (the “Securities Act”) and to non-U.S. investors in reliance on Regulation S under the Securities Act.

The notes were issued pursuant to an indenture dated December 22, 2006 with The Bank of New York as trustee. The notes bear interest at the rate of 7.875% per year. Interest on the notes is payable on January 15 and July 15 of each year, beginning on July 15, 2007. The notes will mature on January 15, 2027. The Company may, at its option, redeem some or all of the notes at any time by paying a make-whole premium, plus accrued and unpaid interest, if any, to the date of redemption. The notes are senior unsecured obligations of the Company and rank equally with all of its other existing and future senior unsecured indebtedness. The indenture contains certain covenants, events of default and other customary provisions.

The notes have not been registered under the Securities Act or any state securities laws and may not be sold by investors except in a transaction registered under, or exempt from, the registration provisions of the Securities Act and applicable state securities laws. The Company also entered into a registration rights agreement with the initial purchasers of the notes pursuant to which the Company has agreed to file with the Securities and Exchange Commission an exchange offer registration statement or, in certain circumstances, a shelf registration statement.

The foregoing description of the notes, the indenture and the registration rights agreement is only a summary and is qualified in its entirety by reference to the full text of the indenture and the registration rights agreement. Copies of the indenture and the registration rights agreement are attached hereto as Exhibits 4.1 and 4.2, respectively, and are incorporated herein by reference.
