Chicago, ILLINOIS - April 24, 2007 - Melvin J. Gordon, Chairman, Tootsie Roll Industries, Inc. reported first quarter 2007 sales and earnings. First quarter 2007 sales were \$92,914,000 compared to \$103,822,000 in first quarter 2006, a decrease of \$10,908,000 or 10.5%. First quarter 2007 net earnings were \$9,811,000 compared to \$12,361,000 in first quarter 2006, and earnings per share were \$.18 and \$.22 per share in 2007 and 2006, respectively, a decrease of \$.04 per share or 18%.

Mr. Gordon said, "The first quarter 2007 sales decline reflects the timing of shipments and inventory adjustments of certain national account customers, the conclusion of a contract in the prior year first quarter 2006 to manufacture product under a private label for a third party, a non-recurring sale of

certain inventory to a new foreign distributor in the prior year first quarter 2006, some acceleration of customer purchases in prior year first quarter 2006 in advance of announced price increases, and a generally softer sales and business environment. Results for first quarter 2007 were adversely affected by lower sales and higher input costs relating to major ingredients, packaging materials, and freight and delivery. Although the Company took actions and implemented programs, including price increases, in 2006 and 2007 to restore margins that have declined due to higher input costs, the Company has not been able to fully recover the ongoing input cost increases in first quarter 2007. The Company's per share earnings did benefit from common stock purchases in the open market in 2006 resulting in fewer shares outstanding."
